**Spotlight Mike Flanigan...**Mike has resigned as President of the Burlington Shag Club. According to his letter of resignation:

"It is with regret I must resign as President of the Burlington Shag Club effective May 18, 1992. As most of you know the new job I now have has placed additional stress on my life...I will be glad to assist in getting a newsletter started...I will also be available to the (new) President for as long as he feels I am needed...You know, 1991 was our year! I am proud to have been a part of making 1991 a great year!"

We're sorry to lose such a dedicated President. On the other hand, we're gaining an equally dedicated active member. Thanks, Mike, for a job well done! Good luck in your new job.

**Spotlight Danny, Gail and Bill...**Danny has been appointed to fill the office of President of the Burlington Shag Club after the resignation of Mike Flanigan. Danny has appointed Gail Wright to be Vice-President and Bill Inge to fill in as Treasurer. We know they will do a super job, but they will need our help. If you are called on to help, please do whatever you can to make things easier for our new officers.

## How do you like our new look?

We've had to make some changes in the newsletter since Mike lost his computer at work. Since I am doing it now, I wanted to try a different format. All the officers liked it. I tried to fix it so that when you put the newsletter on your refrigerator (that's what I do with mine) all the information you need to refer to will be all on the same side (ie: new members, birthdays, dj's, etc.).

We will have 3 sections open on the front page for other news next month, so if you have anything you would like for us to print, call me or one of the officers.

Any comments about the newsletter will be welcome (maybe).
