From Your President

Thank you so much for your cards, notes, and visits after the death of my Mother. It means so much to have wonderful friends who are so supportive at such a difficult time.

Thanks to Ron Wilkerson, Pam McHone, and Lynda Justice for making sure that our business meeting was held as scheduled on such a short, short notice to them.

Meals On Wheels Benefit - We had another successful year with our benefit. Even though our sponsorship was down, we still raised around \$26,000. The Silent Auction was a huge success, bringing in a little over \$8,200. Thanks to all of you who participated in making this event a great one again this year.

Special Olympics Spring Games - Lamonte Stokes has sent an invitation to the our shag club to come and enjoy and/or participate in the festivities of the Special Olympics competition. You can participate by volunteering to be a big brother or big sister to an athlete during the time the competition is being held. You will get a schedule and will be responsible for making sure your athlete is at every venue in which they are competing before the time of their competition. If you are interested, please call Lamonte at the phone number listed on the invitation elsewhere in the newsletter.

Area Shag Club Party - The first party of 2002 is being hosted by the Eno Beach Shag Club and will be held at Ye Olde Tavern in Durham. DJ for the night will be Jim Waye. Please mark your calendars for Saturday, March 16th and support our area clubs. More info inside.

ACSC Winter Workshop - Eight BSC members made the trip to Folly Beach, SC for the Winter Workshop hosted by the Islander Shag Club - Buddy/Dotty, Jesse/Lynda, Carl/Peg, and Evelyn and I. It was a fun weekend, with events being held in the Holiday Inn and at the Islander Shag Club clubhouse, which they manage themselves. Evelyn and I attended the meeting Saturday morning, Dotty was doing her ACSC secretarial duties, Buddy and Lynda helped with meeting registration, Carl and Peg toured Charleston, and Jesse slept until about noon! We all had a good time representing our shag club.

Thanks, Rick Turner

Requested Changes To Our Club By-Laws

The following amendments have been suggested for our club by-laws. These will be voted on at the March business meeting.

Article IV - ORGANIZATION STRUCTURE

C. Duties of the club officers

3. Secretary

Add: To disperse updated club member rosters to each officer and committee chairperson at each regular club meeting.

E. Currently reads: No member shall hold more than one (1) office at any one time. Officers of Burlington Shag Club Inc. shall not hold an office in any other shag club.

Add: Officers may serve no more than two consecutive years in the same capacity.

Add: All Presidents (retro-active to 1985) serving at least a twelve month term will be made a life-time member of the club.

From The Burlington Shag Club DJ Chairman

When Rick Turner became President in January, he asked me if I would schedule DJ's for the year 2002. Of course, I accepted, because I wanted to and he did this favor for me last year. I knew when I accepted this position, it would not be an easy task due to the fact that you can't please everyone all the time. Along with this duty, I was also given a restriction to schedule only 2 DJ's per month that the club pays for due to limited funds. I also set up some guide lines for myself to abide by. Some of these are: 1) schedule DJ's that have shown an interest in our club and expressed their desire to play, 2) try to have a variety, 3) schedule DJ's who appear to be playing to promote the shag, and 4) stay within the 2 DJ per month restriction. I will continue to try to follow these guide lines for the remainder of the year or until I am relieved of this duty.

The purpose of this article is in response to an issue that was brought before the club at the February meeting. I will not be able to attend the March meeting due to another commitment, so it seems appropriate to respond to the issue in the newsletter so the club members know my point of view. I understand that Roy Childress expressed an interest in playing on Friday nights. I do not understand why this issue was brought up at a meeting instead of contacting me. At the time of this writing, I am working with Roy to pick a date that he is not already booked.

It may appear that Rick and I are monopolizing Friday nights, but we only play one Friday night each month and we are playing for free to stay within the budget. I do not proclaim to be a DJ and will be the first to tell you that I am not a DJ. When I play, I have to admit I do have fun and enjoy it, but it is not something I have to do. So, if there is a DJ or DJ's out there who want my slot (normally the 1st Friday of each month), you can have it, but remember it does not pay anything but fun and the promotion of the shag dance. Any takers?

In an effort to keep variety, I will summarize the DJ's that have played since January 1st and are scheduled through June on our regular Friday night socials: one from Greensboro, three different DJ's from Durham, one from Eden, two different DJ's from Burlington, one from Topsail Island, one from Aiken, SC, one from Atlantic Beach, NC, and I'm also trying to schedule a DJ from Richmond, VA who has asked to play for our club.

In the future, if you want to DJ at our club, see me to schedule to play, don't DJ like it is a job and you're punching a time clock, and don't get offended if no one is dancing as soon as you start playing. I've come to the conclusion that most all shag clubs are the same, they are going to socialize before they dance, and last but not least, play to promote the shag dance and the music.
