April 2005

From the Presidents Pen,

Listen to all the birds sing and smell the flowers blooming!!!

I feel that our club is doing just that; we are blooming just as Spring is arriving. Things are coming together and it is all because of the hard work all of you are doing as a team. This year is promising to be a great one. Keep up the good work.

If you were unable to attend the business meeting in March, you missed a great deal of information. Please review the minutes for this important information.

Remember that SOS is coming up quickly. This is a party that is always a great time. There are a lot of activities planned for the BSC. See minutes for different type activities and get involved for a guaranteed good time.

If you missed the winter workshop in Mooresville the last of February, you missed another wonderful time. The meeting of old and make of new friends, the socialization and just great fun was had by all. On Sunday there were appearances by Elvis, Chubby Checker, and Ray Charles. And the band, the Shakers were just as always, incredible.

If you have anyone who needs to be remembered through the sunshine committee, please make every effort to get the necessary information to Judy Hunt Lindley as soon as possible.

To all the committee chairs, keep up the good work. Keep me posted of your meetings for the dates, times, and locations.

I have had a lot of e-mails and phone calls concerning the items voted on at our last meeting. Let me first say that everyone made every effort to contact each member to ask that they attend this meeting due to the information to be covered and voted on. If you did not receive a phone call, you were not left out on purpose. There were circumstances that prevented you being reached. Please contact the telephone committee chair, Norma Long, and make sure that your telephone number is listed correctly, since the only information she has is what is on the roster and numbers may have been changed and/or disconnected.

The next business meeting is scheduled for April 15, 2005 at 8:00 PM at Ramada Inn Burlington. Please bring all issues and concerns to that meeting to be discussed with and among your fellow members.

Until next time, hope everyone has a wonderful beginning Spring.

Thought for the day:

To have a voice, you need to attend scheduled meetings, don't wait for an invitation.

Meeting was opened by Sheila Walker.

Secretary's report: Given by Angie Sharpe, current membership on meeting night was 150. There were two corrections to February minutes, they were discussed and made part of the permanent record.

Treasurer's report: Given by Mary Gregory, details can be found in Shag Rag.

Winter Workshop:

- Ronnie Gregory was presented a Past President Pen and certificate for his leadership in 2003 & 2004. Sheila Walker presented it to him at the meeting.
- Important date cards were discussed and they are a good way for club members to have a quick reference to important events coming up. Sheila had several, if any members would like to have them.
- Things that were learned from the workshop were details about the SOS foundation, how to make your club better, the benefits of being a member of ACSC and specific information pertaining to this years SOS functions.
 - SOS Foundation: It is a 501 C3 foundation and donations can be received from outside of SC. There is currently \$15,000 in the foundation and the foundation is not managed by a board. The sources of these funds are generated from donations and Fun Monday proceeds. The long term plan of the foundation is to continue the plan for caring for kids and is a non-profit organization. To learn more about the foundation, information can be found at www.shagdance.com.
 - Ideas on how to make your club better included putting advertisements for local business and members into the newsletter and to advertise club events to the community. Also, when the club distributes party flyers to other clubs they need to be correct and clean (easy to read). Another suggestion was to have members sign up for a committee when renewing or completing a membership. Some clubs make this a requirement to join; Sheila discussed the pros of having this apart of membership requirements. Lastly, a suggestion was to run the club like a business. This might include using a phone tree system, offer dance lessons on meeting nights and have regular events each month.
 - Benefits of being a member of the ACSC include receiving important information, experience, a \$300 rebate for a \$50 membership fee, access to shag dance website, and experiencing power in numbers.
 - SOS will have its 25th anniversary this year and a medallion has been developed to commemorate this anniversary. It will be available in silver or gold and the price has not been determined yet. Clubs may continue to sell the SOS cards for \$30 or they may sell them for \$35 and keep the \$5 for the club. There will be two areas designated as smoke free; they are upstairs at the Spanish Galleon and back room at Fat Harold's. This may be the last year that SOS cards will be good for Midwinters, more information on this at a later date. ACSC is looking to have another event during the year and will discuss it further at meetings to come. This year will be the 10th anniversary of Fun Monday and it will be held September 19th. The prize amount for Fun Monday tickets will be \$7,500 and the club & person who sells the most tickets will receive a prize. Fun Sunday will be

held September 18th, will be another street party. SOS parade will be April 30th; t-shirts for the event will be available this year and every year going forward. Pictures of the parade will be available on the website the next week. Jonnie Hammond, contributor to the Care Free Time, Down Memory Lane has been very ill, he is home now and BSC will send him a card.

- Ronnie Gregory discussed that the winter workshop was very fun and informative. He suggested that everyone go to these events.

Committee Reports:

- DJ Committee: Kent Bradsher announced that he needs help setting up & taking down the equipment on Friday night, anyone interested should contact him. Also, any suggestions for DJ are welcomed.
- Sunshine/Remembrance Committee: Judy Lindley is who the club is to report with any sickness, death or other life events.
- Telephone Committee: Norma Long needs people to help her with this committee. Also, a lot of phone numbers are incorrect so if you are not getting called check with Angie Sharpe to make sure we have the correct number on file.
- Newsletter Committee: Susan Huey said the deadline for Shag Rag this month is March 23rd. Many of the members expressed how good of a job she was doing on the newsletter.
- Golf Committee: Chuck Upchurch asked that if anyone had any ideas for the September tournament to contact him or Clint Sharpe. There will only be one tournament this year.
- Ways & Means Committee: Steve McHone wants suggestions on how to raise money at the Area Shag party.
- Webmaster: Mary Gregory asked that if anyone had any suggestions on how to improve the website to let her know. She is open for suggestions.
- Bus Trip Committee: Chuck and Denise Upchurch said that 29 people were on the bus for Eden Area party. \$35 dollars were left over from the trip; this money is to be earmarked in the treasury for future trips. Next bus trip is May 21st to Eno Area Party.
- Float Committee: Brenda gave a report that the committee is working on the float now; workshop is scheduled for 3/19, 10am-2pm. T-shirts will be available to anyone who would like to purchase for \$20. Deadline to sign up to be on the float is March 25th, see Angie Sharpe if interested.
- Membership Committee: Carol Pettigrew discussed that the committee has met several times to try to decide when to do the "tea party" and where. The three places that are available are Bogey's, 3 Thirty 3, and Showtime Lounge. Two possible dates are April 9th and April 16th. Other options for the funds set aside for the "tea party" is to allocate them to the pool party or to put them back into the treasury for the ACSC workshop summer of 2006. The members present voted by ballot and the "tea party" will be held at 3 Thirty 3. A motion was made to have it on the 16th of April, it was seconded and passed.
- Entertainment Committee: Ronnie Gregory discussed possible location for the Area Shag Party which is held June 11th. It has been brought to the clubs attention that Ramada is now charging \$2500 to use the facilities for any event going forward. Ronnie has looked into several places and one that he has researched is the Moose Lodge in Burlington. This facility hold 450 people, \$350 to rent, has a wooden dance floor, does brown bag for drinks, will sell beer for \$1.50, smoking is allowed in half of the facility, club can do 50/50 and raffles, and decorations are allowed. The facility is used from 8-1 and the club can bring in their own food. A motion was made to hold the Area Party at the Moose Lodge, 2nd and was passed. The party is still June 11th and the club is responsible for clean up. Ronnie asked for \$1500 from treasury, a motion was made, 2nd and passed. The members asked Ronnie about the Christmas party, he said the cost would still be \$2500 for the Ramada; a motion was made to look into somewhere else to have the Christmas party, 2nd and passed. He will look into whether or not we can have the Christmas party at the Moose or Elks lodge; will report back to the club about availability. A ballot vote was done to decide on what DJ to use for the Area party, all members present turned in their vote and the DJ for Area Shag party in June will be Ron Russ.
- Meels on Wheels: No one has heard or spoke to Al Fogleman, this was tabled to next meeting.

Eno Shag Club Area Party will be May 21st and the Golf tournament will be held April 9th. See Sheila if you need a flyer.

ACSC Summer Workshop will be held in New Bern, hosted by Twisters Shag Club. The dates are July 8-10. Tickets are selling out fast so get them while they last.

SOS Spring Safari will be April 22- May 1. Please plan to attend the parade so that the float participants can be cheered on!

Changes at Master's: Sheila said that she knows that in the past 2 ½ months things have not been as good as they have been in the past, but she would like for all members to try to keep peace with all employees of the club. Other avenues are being research for parties and functions, so let's try our best to get through this trying time, it will soon pass. Hugh Walker and committee are still researching different ideas for club meetings.

Thank you card was received from the Boogie Woogie dance team, if anyone would like to see it Sheila has it. No more business presented, next business meeting will be April, 15th at 8:00. Location within Ramada will be announced before the meeting.
