Notes from the President ...

Warm weather here at last. Time is certainly flying by and our club and its members are busy, busy. The members who are participating on our float are in full gear and making great progress. We are very excited and looking forward to taking our creation to the Spring SOS parade on April 16. Let me personally thank each member who is

giving of their time and talents to make this happen for our club.

We have just finished having another huge successful Meals on Wheels Benefit event. Please take pride in knowing you have helped Meals on Wheels be able to offer food to many people here in Alamance County who may not have made the list otherwise. For each ticket sold, a person will be fed for an entire week. I would like to thank each person who worked so hard for many months to make this all possible. We were also given the opportunity to see some of our Junior Shaggers. These kids are our shag world's future, they will make sure our dance will live on for years to come. Please join with us in supporting these kids as they travel and encourage other kids to join them in this dance.

As you may already know, our club is a member of a 6 club coalition and each club will host 1 special party event each year. You will find in this newsletter details of the area club events that are being planned in the coming months. Please remember these clubs have supported us with their attendance to our events, so it is important we support them by attending their events. If you plan to attend, please let me know and if needed we will try to arrange some vans or other joint transportation.

Our club's annual coalition event will be held June 11 at the Moose Lodge, this will be our annual Luau. Carol Pettigrew and Evelyn Turner are heading this up, please get with them to see what you can do to help. The cost as approved by the entire coalition clubs will now be \$10.00 per person. Details will be given as plans are finalized.

As discussed in our last business meeting, it is important to attend our monthly meetings. Many things are planned and approved in these meetings. The only way you have a voice in any decision made by our club is to attend the business meeting and vote. Again let me say, the decisions voted upon and approved by the majority in attendance is the way we will proceed with said issue.

Please continue to support our club each Friday night at Masters. We are so proud of our attendance and the opportunity to welcome visitors from other shag clubs. Again I should remind you, due to the number of people in a confined area, the room does get warm. Please dress with this knowledge in mind.

Looking forward to a great year with each of you. Please feel free to contact me at anytime with any suggestions or concerns. I do appreciate the opportunity to research your concerns and suggestions prior to our meetings. Hope to see you Friday night at Masters. Now go and do well.

And to our Bartender
Nita Wilson on March 17th

To our BSC family... A tremendous THANK YOU for making such a wonderful re-up party! The turn out was excellent and the mood, festive, fun and full of life! We came in under budget and that is a big plus always as money goes back into the treasury to spend on other important matters. To everyone who volunteered their time and efforts to help, an extra thanks to you! Without volunteers and team spirit, we would not have the outstanding club that we do. We had great music, Thanks Chigger Woods! and excellent bar service, Thanks Nita! We are very lucky to be a part of this club and look forward to many more years of continued fellowship and fun.

THANK YOU ...

Meals on Wheels would like to say a big **Thank You** to the Burlington Shag Club for another successful event!! Everyone had a wonderful time and we raised approximately \$ 23,500. This money will be used to continue to provide meals to the many elderly, homebound people in our community. With the rising cost of meals, funding is very crucial at this time. Thanks to all who worked so hard on this fundraiser. Meals on Wheels and its' clients appreciate it!

Evelyn made a motion that we designate Special Olympics as the charity for this event this year. All approved.

**Burlington Shag Club
Business Meeting 2/18/11 (continued)**

Christmas Float: Joan brought up that the Christmas float participation has slipped over the last couple of years. Are we even interested in continuing to do this? After much discussion, Judy Lindley made the motion that we no longer participate with a float in the Graham Parade. Majority approved.

Meeting Attendance: There was a general discussion about the lack of participation in the meetings and events. Events are announced in the newsletter, on the web-site and through email. The topic of the phone tree came up again. Why aren't we using it? We would have to pay \$100.00-\$150.00 to upgrade the software. Ronnie made a motion that we spend this money to upgrade if someone will volunteer to handle the phone tree. Majority approved. If interested, please let Joan know.

Master's : Nita announced that when we had our re-up party that she apologized for putting some folks off in filling their drink orders, but that ALE came in and she is instructed to stay with them during the inspection. Please bear with her if/when this happens.

Next Business Meeting: March 18th and the April meeting will be moved to April 22nd due to SOS.

50/50: \$49.00 was won by Amber Allen.

Meeting closed at 8:45 PM.

**Respectfully submitted by:
Lorna Shively, Secretary**

Shaggin' at UNC.....

On Sunday afternoon, February 13th, a large group of Burlington Shag Club members were in attendance at the UNC Chapel Hill women's basketball game. Coach Sylvia Hatchell of the Lady Tarheels invited shaggers from the surrounding area to dance at halftime during Shag Day. There were about 5 area clubs represented, with about 80 shaggers. This was also Breast Cancer Awareness Day and all shaggers who were going to dance at halftime were given pink t-shirts to wear to signify this special day. We danced to three songs and really had a great time. We were very proud to represent Burlington and we thank Coach Hatchell for the great idea of Shag Day so we can showcase our dance. Looking forward to next year. Evelyn Turner

Shag Club ID Badges

Last year members were given a name badge attached to a lanyard. If you have your badge, you need to carry it to SOS. It will be required at the Parade Party to be held at the O D Arcade on Saturday, April 16th. We asked everyone to keep their badge from last year, but if you do not have yours or if you are a new member, you will need to get one. Kim Hodge will begin distributing these in few weeks at Master's. She will have the names of new members, but if you need a replacement, you must let Kim know as soon as possible. You can reach her at maxkim63@aol.com. Please don't wait until the last few days. Thanks, ET

Winter Workshop held in Columbia, SC on February 25-27

It was my pleasure to attend the ACSC Winter Workshop in Columbia, SC this past weekend. It was a great meeting and I found it to be very informative. It is required that a member from each club attend the Winter and Summer Workshops and at least 1 other meeting held at other times during the year. At this workshop, elections were held to select the SOS Board of Directors. Helen Still, Dwayne Baggett and Ronnie Gregory were re-elected.

We were reminded to continue to sell SOS cards. Cards can be purchased at the events, but it is helpful if these cards are purchased in advance. Please make certain your forms are filled out clearly and with all information requested. You will not receive a copy of the SOS Carefree Times unless your form is filled out clearly.

There are many things the SOS card monies are used for, but here are a few I found to be interesting and I did not know. Each participating club at North Myrtle Beach (i.e. O. D. Arcade, Fat Harold's) is given money for rent of floor space used during SOS events. \$1,500.00 is given to these clubs to furnish food on a special night or afternoon during SOS. The Company Shops retail store located beside the Arcade is there for you to purchase SOS related items and this rent is paid with your SOS monies.

Tents were once again discussed and it is now an ordinance of The City of North Myrtle Beach. There is much language in this ordinance so I will not, at this time, list this ordinance. I do have a written copy for your review upon request and will gladly make you a copy if needed. However, I will share one very important fact with you, non-compliance will result in a \$250.00 fine.

Tickets for Fun Monday will soon be furnished to our club, please remember to purchase a ticket when they become available. The sale of these tickets pays for the entertainment we all enjoy Fun Sunday and Fun Monday.

There is a man that many of you will recognize, Dr. Phil Sawyer, who has been everything possible in the Shag World. Dr. Phil has so much knowledge and history of this lifestyle that unless written down, may never be known. With this in mind, a book was commissioned to be written by Tom Poland from South Carolina. This book will soon be available and the title will be "Bury My Heart at Ocean Drive". Please make a special effort to buy a copy of this book and make it a must to read.

These were some of the high lights of the meeting that I thought you might be interested in knowing. Thank you for allowing me and CB to attend. Other members attending from Burlington were Edith Loy, Ronnie and Mary Gregory, Brenda Smith and Kent Bradsher.
