## Notes from the President ...

Well gang, we are still moving right along at full speed ahead. It is hard to believe that time is going by so fast. A large group of our members have been very busy creating a float for the Spring SOS Parade. Please let me thank each member who has given of their time and talents to come out every weekend since January. I am still amazed at the talents and devotion our club members possess. We started with a small idea and now we are almost finished. I hope each of you can attend the parade on April 16 to see what your fellow members have created. As we know, there will be lots of wonderful floats this year, but we are still very excited. Winning is always our goal, but we knew going into this venture that losing is also a possibility. As we prepare to transport our creations, we say win or lose, we will still be a very proud club. The fellowship and memories will be the biggest prize of all. Please come out to the parade and support our club. Immediately following the parade, at Harold's, the winners will be announced. As I said, win or lose, we will gather outside after the ceremony and try to get a group picture. If you are there, please know you are welcome to join in on the picture taking. At 5:00, we will gather at the Arcade for our Parade Party. I would ask that you realize there will be many members present and drinks will be served as fast as we can make it happen. Please be patient and kind to the ones working at this event - we have 3 hours to party. Also, I would like to thank many of our members who donated money to make this Parade Party possible. As you look at our float, please take time to look at the sponsor signs and be sure to thank them and our local merchants who also gave to make our float possible. Now for the last request for parade day, please pray for a pretty sunshiny day.

Our next big event will be our annual luau at the Burlington Moose Lodge. Plans are already underway to make this another special event. You will find a flyer in this newsletter with all the details. Please mark your calendar for that date. If you are asked to help, please consider doing so. It takes many people to make this event successful. Working along side other club members can be a great way to get to know them better.

We are still having great crowds on our Friday nights at Master's. We are so grateful that members from other clubs are coming to join us and tell us what a fun time we always have. Please take time to meet and greet our guests. I am so proud of our club and our members because we have a great reputation for being friendly and having a great bunch of members.

The Friday night before most of us leave for SOS will be on April 8<sup>th</sup>. If you are still in Burlington, please come to Master's as Hugh Walker will be our DJ and we plan on having a little SOS training party to get us jump started for the fun week. Wear your beach attire and come prepared to dance and get your mind and body ready for a week of pure fun.

Thanks to each of you for all you do to make our club so wonderful. I thank you for allowing me to be your President. Now go and do well.

# Fun Times with Steppin' Out Shag Club

On March 12<sup>th</sup>, the Steppin' Out Shag Club hosted the first of the "Area" shag club parties. As we entered to a Mardi Gras theme, there was good music already being played for everyone to enjoy. We made our way downstairs to claim a table because the room was quickly filling up. We then went back upstairs to get our drinks and food. My goodness, what a spread of food there was filling the tables - just a variety of almost anything you could want - and so good too!

I'm very proud to say there were 42 members of the Burlington Shag Club there to support our sister club for its annual 'area' party. They presented a Mardi Gras skit and seemed to be having a fun time while doing it. We always have a good time when we party with our friends from Steppin' Out. Congratulations to them for hosting a good party for everyone.

**Scott Ursery called the meeting to order at 8:05 PM.**

**Joan Kimbro welcomed all members and asked if we had an guests.**

**Secretary's Report:** Lorna Shively stated that we have had 3 new members since the last meeting, along with several re-ups, which brings our total membership up to 269. Butch Dowd made a motion to accept the February minutes as printed and Ray Jolly seconded. All approved.

**Treasurer's Report:** Ed Smith presented the 3/18/11 YTD balance sheet (expenses vs deposits). Our current balance is \$5991.64. Discussion was held about the budgeted expenses and this field will be added to upcoming reports. Brenda Smith made a motion to accept this report as given. Lorna seconded. All approved

**Sunshine:** Edith Loy announced that Sheila Walker's father passed away on 2/22/11 and a former long time member, Judy Johnson Aubreys' husband passed away on 3/13/11. If you would like to send her a card her address is: 7310 Faye Ave., Chattanooga, TN 37421.

**SOS cards:** Per Edith, she only has 26 left. Make sure to get them before we go to Spring Safari.

**ACSC Winter Workshop:** Joan announced that Ronnie Gregory was re-elected to the Board of Directors for ACSC. Congratulations to him. She also stated that highlights of the meeting will be in the newsletter.

**Eden's Meet the Area Shag Club Party:** Burlington was well represented with about 46 members present. Everyone had a great time.

**SOS Float:** According to Larry Jordan, we only have 3 weeks left. The props are built and in the "dressing up" stage. We've been having a good turn-out for our workshops. Gail Jordan stated that the cutting and sewing group was finishing up making the costumes. They have 23 complete and several other folks are making their own and others, while others have ordered theirs. Gail has some of the costumes that are ready and need to be picked up tonight or tomorrow at the workshop. They should be completing the beads tomorrow.

**SOS T-shirts:** T-shirts are in and they look great! They are \$12.00 each, so see Kim Hodge to order them. Kim has most of those that have been ordered. Please make sure to pay her if needed. These will be distributed the week before spring SOS. Also, the feet and costumes that were ordered are in and she will distribute.

**SOS Parade Party:** Gail also announced that our parade party will be held at the O.D. Arcade from 5-8pm on 4/16/11, win or lose. This is a party to celebrate our fellowship and participation, not just a win if we do. Please wear you parade t-shirt and your name tag lanyard. Also, you will need to check in at the party with Lorna or her helpers in order to get your wristband. No wristband, no free drinks. There will be a table set up for the drinks and the wristband is required to get one. Please do not stop the runners between the bar and the drinks table. You can only get your drinks/beers from the table that is being set up to serve you. Joan thanked everyone for helping out and encouraged everyone to come out to the parade and cheer us on if you are not a walker or rider.

**Burlington Shag club  
Business Meeting - 3/18/11 (continued)**

**Luau:** Carol Pettigrew announced that there will be a planning meeting on 3/24/11 at 6:30 at Master's. Evelyn is her co-chair. The costs will be \$10.00 per person. This is being held on 6/11/11 at the Moose Lodge. Also, Carol requested \$1500.00 for the luau expenses. Ronnie made a motion that we allocate the \$1500.00 expense and Pam Hord seconded. All approved.

**Coalition Party at Fall Migration:** Joan stated that she will be meeting with some of the other clubs to begin planning this since we are one of the hosts this year. She will do this at SOS-Spring Safari.

**SOS Fun Monday Booth:** Joan asked if we wanted to continue to do this since we were one of only a few clubs with a tent /booth last year and the only one not selling food. During open discussion, it was stated that this is one of our money making opportunities and that there was interest to continue. Anyone interested in volunteering to chair this? Please let Joan know. Majority voted to proceed with the booth.

**MOW 2012:** Stephen Stearns has agreed to head this up. Terry Saunders made a motion that we do the MOW dance and auction again. Butch seconded. All approved. Stephen stated that he has been in contact with several beach groups and have gotten some costs: Hip Pocket- \$2500.00, Holiday Band-\$3000.00, Jim Quick and Coastline- \$5000.00, Band of Oz-\$4000.00 and the Magnificents - \$2600.00. The floor was open to discuss other bands. Butch said that the Magnificents have told him that they are very eager to play for MOW. Stephen will pursue this further. He will keep checking with more bands also. MOW has already reserved Ramada Inn for next year.

**ACSC Summer Workshop 2013:** Joan mentioned that this is held in July each year. Brenda Smith asked if we wanted to pursue the bid for the 2013 summer workshop. The last time that we did this was in 2006. We missed the bid deadline for the 2011 workshop that was held in our zone. The next one in our zone is 2013. Evelyn Turner has agreed to chair this and prepare the presentation to be given to the ACSC at the summer workshop for 2011. Do we want to do this? It is a LOT of work, but the last time that we did this, we made \$22,000.00 which helped keep the coffers running for several years. Joan said that many of the other clubs are encouraging us to do this. There is great fellowship and opportunities to meet other clubs. Jackie Hallaman made a motion that we let ACSC know that we want to do this. Pam Hord seconded. Majority approved. Ronnie also suggested that we get information about availability and costs from Ramada Inn. Ronnie asked that this be tabled until we find this information out.

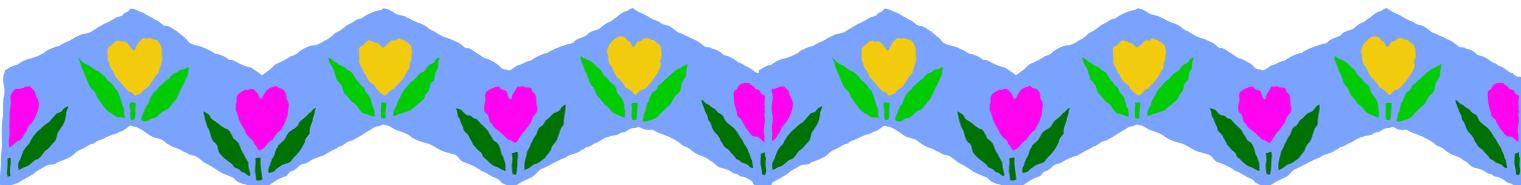

**SOS 2012"Special" float:** Ronnie stated that the ACSC has announced that the theme for the parade for Spring 2012 is "Year of the Book". This is in reference to a book being written, with Dr. Phil Sawyer's help, about the shag life, SOS and roots being released in 2012. The subtitle is "Bury My Heart at Ocean Drive". The ACSC has asked that Burlington Shag Club create a special float to honor this event and SOS. This float would be in addition to the club float that we already do. It is a great honor that they have asked us. They asked us to do this because of our history with the float themes and participation. We will have a year to do this and Mary Gregory and Brenda Smith have agreed to co-chair. When asked about the costs, Ronnie stated that SOS will be financing the float. Jackie Hallaman made a motion to do this. Gloria Thompson seconded. Ronnie Gregory made a motion for Brenda and Mary to co-chair the float build. Butch seconded. All approved.

**Business Meetings .....**

A few weeks ago it was mentioned that we still have lots of members who do not attend our monthly business meetings. Unless otherwise notified, our business meetings will always be the 3rd Friday night of each month. We do not always know in which room at Ramada our meetings will be held, so check in at Masters and that room will be announced prior to 8:00.

There may be many members who are not interested in the business end of our club. This is totally their decision. I would like to offer this suggestion to be considered. We are a very busy social club with many things going on at all times. Each event requires planning and many times approval of club members. The business meetings are held to hear ideas and to work out details as needed. Once an item is discussed, a vote will be taken and the majority vote will determine the outcome. You do have to be present to vote. Often the decision may not be to your liking but we will make the most of our decisions. Things always have a way of working out and as we work together we make things happen.

We try real hard to keep our meetings to 1 hour. In order to keep our meetings to this 1 hour, we have an agenda that is created prior to the meeting. I will now have copies at the tables so you can follow along. We need to keep to said agenda as much as possible. I would welcome any suggestions or concerns you feel need to be discussed at meeting, but I must have that item called or emailed to me by Monday evening of the business meeting week. As you already know, I am still learning the ways things are normally done so this will allow me time to research issue and be better prepared. We have many members who have vast knowledge of why things are as they are and I will tap into their knowledge before the meetings. This will hopefully allow each of us to have a better view of concerns. If something needs to be discussed and changed, we will offer up all available information and then each of us will be better able to vote wisely. You need to be at the meeting to hear for yourself the discussions as they are spoken. Learning from others may not be the exact way it was said. WE all have known forever, that stories tend to change a little each time they are told. Many times feelings are hurt or trouble can begin from a story that is told somewhat different than intended. As we offer up new ideas, keep in mind that new ideas can mean new growth. Hear out the ideas and then vote as you see fit. Do not vote because the person to your right or left is raising their hand. You have the right as a member to vote the way you feel, God gave you that mind, use it. Attend a meeting at least once and help us make Burlington Shag Club the best club it can possibly be. This club belongs to each of you and each member is important.
