## Notes from the President ...

Welcome to October---cool weather is beginning to arrive and now Fall SOS 2011 is in the record books. I would like to thank all our members who came out to work at our tea party at the Arcade, the Coalition Party on the beach, and our Fun Monday booth. All of these events were successful because you once again joined together to make it all possible. We had around 120 members at our tea party and that was a great time for all who attended. The weather cooperated for our Coalition Party and Burlington was well represented. As we were the co-host club this year, please know how proud I am of our club and its members. We received many compliments from all the sister clubs and a huge thanks goes out to Steppin' Out Shag Club for teaming with us to make it a success. Our Fun Monday Booth was also a huge success with all our merchandise being sold. Also thanks for selling those tickets so we did not have to pay rent on our booth. Again thanks for always being willing to step up to the plate to work and make every event possible.

We had our annual yard sale this past Saturday morning and boy did the temperature change in a few hours. We started out in tank tops and ended in jackets. It got cold so fast that most of us bought shirts, hats and jackets to be able to finish preparing for the sale. No matter, many stayed and got everything ready and were back early to greet shoppers who showed up with flashlights ready to shop. Even though there was lots of work and lots of wind, we were still able to raise \$1,130.00 for our Christmas Cheer Families. Thanks to all who helped make this possible. Soon we will be selecting our families, so please get with Angie and Clint to offer to help make purchases or wrap selected gifts. We are all so blessed and this is a wonderful way to help families who would not have a Christmas without us.

Amber and Josh are making plans for our Halloween Party at Masters so start looking for your costume. Some may think they just will not mess with a costume, well trust me it is fun to be a kid again. You do not have to buy a costume, get creative, some of the best costumes were just put together. We will have a costume contest, so please just think about it and join in, you might just be surprised at the fun you will have.

Elections are coming up, please come out and vote for your selection of officers as it is your decision who leads your club. Lee and Dianne are heading this up, if called and ask to run, please do consider the nomination. Sure there is much work involved, but it is work that is needed to keep our club successful. You are never alone in your efforts, there will always be fellow members who are willing to lend a hand and work along side of you. New ideas are always welcome as this is what keeps our club fresh and moving forward. We have committees for everything we do, get involved on the committees and brain storm. You may hear the word "grouping", well we do have groups, but they are large groups of anyone who wants to be a part of whatever we are doing. It is your choice to be involved, you are always welcome to come to any and all meetings and your opinion is important at all times. Sometimes you may not be able to attend the meetings, well just send an email to or contact the chairperson and offer suggestions. No idea is wrong, it may be needed to get things started. Your idea may be changed around but that is ok, as it was important and together members fine tuned it into a workable plan. Committee meetings are also a great way to get to know other members Working on a team is special and so rewarding when everything comes together and you helped make it possible.

President's Notes ....continued

Hall of Fame is also just around the corner, this is the highest award we give a club member. Carol is heading up this committee and soon the committee will make their selection. Each person who has been selected to this point has given of themselves willing to make our club what it is today. We honor these people and thank them for giving their special talents and efforts to our club. Check out the website and see who these members are and when you see them out and about, tell them how much you appreciate what they have done for our club. Soon the name of this year's winner will be announced, we will honor that club member, please be apart of this special honoring.

Lastly, Edith and Michelle are gathering their thoughts for our Christmas Party at the Moose Lodge. Please offer to help these girls with the planning and the actual work. Remember, no job is too demanding when it is shared by many. We will have our meal catered this year, so no kitchen duty for our members, take a break and dress up and party the night away, ENJOY. We still want those special desserts our members create, so bring them to the party or the night before already ready to be served individually.

Thanks for another good year. It has been my honor to serve as your President. I thank each of you who have worked along side of me and for all the great advise. I may stand in front of the room at our meetings, but each of you have made this club what it is. We have a great reputation and a following of many wonderful people from our area and from others surrounding areas as well. Be proud of what we have done together as we have made a great team. Now go and do well.

## SOS Fall Migration - Fun Monday 2011

Main Street was packed again this year with so many fun-loving shaggers ready to have a good time. While most were listening to the great music, quite a few of them made their way to our Fun Monday booth. Sales were good all day long, with only a few things left over. We had some great items at the booth to sell and shaggers were taking advantage of the beautiful weather to shop. Many loyal Burlington Shag Club members volunteered to help with the booth duties and their efforts are greatly appreciated. Thank you also to Mary Gregory who chaired this committee for us.

Burlington Shag Club

It was our honor to co-host the 6-Club beach party along with Steppin' Out Shagging Shag Club. There were lots of shaggers there and everyone seemed to be having a good time. The food was good and the music was good, and of course, we closed the day out with our annual salute to our armed forces by singing "Gold Bless The U.S.A."

**Yard Sale**  
**2011**

Members gathered at noon on Friday to organize the huge amount of items for the sale. Even though it didn't start until early Saturday morning, we had sales on Friday afternoon while setting up. Of course, no sale was going to be turned away, and to our surprise, there was \$400 worth of items sold Friday night. Shoppers were looking for bargains and most of them went away with good deals. With a total of over \$1100 dollars, the Burlington Shag Club will be able to support Christmas Cheer families during the holiday season. Thank you to Stephen Stearns for allowing us to use the Stearns Ford parking lot, and to all the members who obtained items, helped organize and sell, and take care of remaining items. Great Job!!!

**Guinness World Record**

Only 250 shaggers were needed to set a world record for the "Largest Carolina Shag Dance", but over 1,000 showed up and performed a choreographed routine to "Something Smooth" by Rick Strickland. In order for it to qualify for the Guinness Book, shaggers had to dance for five minutes and be dressed alike. It took a great effort to make this happen, but once again, shaggers came together for a successful event.
