Notes from the President ...

Winter is finally knocking on our doors and the holidays are just around the corner. We have had a wonderful year in our shag club and have accomplished a great deal. As we are a social club and surely enjoy the social life we have created, we also have made great strides in helping in our community. There are still a few events to plan and much work to be done. Soon we will elect new officers and induct a member into our Hall of Fame. We are currently planning our Christmas Party at the Moose Lodge. Many have offered to help with this party, but there is still room for more participation. Please get on board and get with Edith or Michelle and see what you can do to make this the best Christmas party ever. We will be making most of our decorations so we need you to help, plus it is fun to get together and work as a group.

We had a huge Halloween Party at Masters on October 28th. So many great costumes and you could tell most of them were created right at home. I felt sorry for the judges as all were winners and deserved a prize, but only a few could win. We thank the judges who came out to make these huge decisions. Congratulations to all the winners and to all who took part in the contest. A huge thanks goes out to the staff at Ramada who helped make our night so special.

Angie will be selecting our Christmas Cheer Families in a few days. Please get with her and offer to help shop for these families. Some families may want their items gift wrapped, so if you can't shop, maybe you can wrap. Remember to bring the canned or boxed goods to Masters on Friday nights. We will divide this food out and give to our families along with their other desired items. If there is food left over, we will add it to our box at our Christmas Party that will be delivered to Loaves and Fishes. Helping these families will make your Christmas, please join in.

With a new year just around the corner, it will soon be time to have our membership renewal party in January. Details will be forthcoming soon. Please make plans to come out and become a member of our club for another year. Our dues will remain the same for the upcoming year. We are so near having 300 members, so get busy and invite new friends to come to the party and hopefully we can go over our current totals.

In February, we will host our Meals on Wheels Benefit at the Ramada. Stephen is already making headway and is hoping to raise lots of money that will feed many people who are very much depending on us. Committees are being formed and if you can help, please let us know. Please let me tell you how important this event is to Meals on Wheels. As some may see another opportunity to attend a party and that is ok, but

President's Notes (continued)

please remember we do this to raise money. Anne has told us so many times that the sale of one (1) ticket will feed one individual for an entire week. We need to remember those people who can not take care of themselves and depend on that meal each day. Times are hard and money is scarce and so are funds that support this worthy cause. We need to be there to make up the difference so no one will go to bed hungry in our community. We need to start talking up our party and be looking for donations. As ticket sales are important, we count on donated items that we can sell at our Silent Auction. Auction items do not just appear, they have to be donated and that only happens if we get out there and ask friends, family, and merchants. Please go ahead and start asking, you do not have to be on a committee to gather items, you only need to be a member who cares for others. As you go about your daily routine, take a minute and ask where ever you might be if they would like to donate to our auction. You will never know unless you ask. We do have a letter that confirms our auction and that items donated should be tax deductible. Here are just a few suggestions: gift certificates of all sorts, baked goods, plants, jewelry, home accessories, pictures, yard tools, socks, racing items, children's items, blankets, bird houses, ladies pocketbooks, golf items, oil changes, just use your imagination and think outside the box. If you can make items to sell, that will be fine as well. You can contact Stephen or myself at any time if you have any questions or need storage. I would love to see the room filled with items to sell,. Just think what we could accomplish if every member got at least 1 item for the sale, we would have around 300 items right off the bat. I really do believe in this cause and together we can make it happen.

Please remember to come out and vote for your 2012 officers on November 18 at our business meeting. This is your right as a club member to vote for the ones you want to head up your club. Once they have been selected, join in with them and become apart of the team. Officers are just there to do the duties directed by our by-laws. You make the club, it is your voice, your vote that makes the decisions that keeps us going in the right direction. We have a business meeting each 3rd Friday of every month unless it is necessary to make a change and then you will be notified of said change. These meetings are open to all members and always start at 8:00 at the Ramada.

Thanks for everything you have done for me and our club this year. Keep doing what you are doing because it is working. Now go and do well.

Juvenile Diabetes Foundation exhibition -Oct 8th—Joan reported that this was a very successful event and that we had a great turnout of dancers. We've been asked to come back and do it again next year.

SOS Tea Party: Per Joan, we had 120 members come to the tea party and participate. We had allocated \$900.00 for this party and used \$897.50. It was a great time and could not have happened without all those who helped out and worked the event. Many thanks to those who helped.

Coalition Beach Party: Joan stated that we co-hosted this event with Steppin' Out Shag Club and that it was well attended and everyone had a great time. The weather broke in time for the party and a big thank you for those who helped with set up and take down/clean up.

Fun Monday: Mary Gregory reported that we made \$2421.00 on the merchandise sold which gives us a profit of \$1110.70.

Greensboro Area Party: This was held on 10/1/11, and they had around 125 in attendance. Not many from Burlington were able to attend due to conflicts with other events.

Yard Sale: Stephen Stearns and Joan said that we made \$1130.00, with about \$450.00 of that coming on Friday before the sale could be set up for Saturday. All of the left over items were donated to Hospice for their store. Special thanks go out to Ron Jeffries who spent the night at the sale location. Angie Sharpe stated that she will have the families selected from Christmas Cheer for the next meeting. We may not need the \$500.00 which was allocated from the club funds. She is asking that we start a food donation box in the club the first week of November and bring non-perishable foods for that. This will cut down on how much food we have to purchase for the families. Any food not used will be combined with the Christmas Party donations for Loaves and Fishes. Please contact her if you are interested in shopping for a family.

HOF: The first meeting for the officers and HOF committee will be held on 10/26/11 at 6:30 at Master's.

Halloween Party: This party will be on Friday night 10/28/11. DRESS UP!!! There will be judges for the contest and prizes. Drink specials also on tap.

Christmas Party: Edith Loy and Michelle Thomas are chairing this event. Edith reported that they have had their first organizational meeting and the theme is "Rockin' around the Christmas Tree". The party is scheduled for 12/17/11 from 7:00 -12:00 and admission is \$10.00 per person. No smoking inside the room. This is being catered by Hursey's and dinner tickets will be issued, along with door prize tickets. The next meeting will be held on 11/2/11 at 6:30 at Master's. Please come out and help!!!

MOW: Stephen said that he is passing around a sheet for members to sign up as committee chairmen. Next meeting will be scheduled in a few weeks.

New Year's Eve Party?: Joan asked if we wanted to have a New Year's Eve party, which would be held on a Saturday night. This would be in addition to our normal Friday night party. Evelyn made a motion that we have the party on Saturday night for New Years and Gail Jordan seconded. Majority approved. Joan will f/u with Master's to see if the club is available for this event.

DJ fees: Joan brought this up since the prior discussion was tabled. We had an open discussion about the fees that are being paid, reasons for and against raising the fees, etc. We would have to raise membership in order to cover most of the increased costs. To date, there have been no complaints from the DJs regarding costs. Judy Smith made a motion to keep the DJ fee at \$100.00 for Friday nights and Jim West seconded. Majority approved.

Chili Bean Party: Mike and Debbie Wilson are hosting Chili Bean Party for 10/22/11 and all members are welcome. Please let them know if you plan to attend.

Veteran's Day ...

Friday, November 11th is Veteran's Day - a day that we salute and honor all military personnel for their service in our armed forces. During their tours of duty, they sacrificed a lot to protect our freedom. Many members of our shag club are veterans, and to them, we say a very special THANK YOU. Each and every day, and especially on Veteran's Day, we are proud to say God Bless The USA.
