## Notes from the President ...

Christmas has come and gone and so has 2011, we are now preparing for another new year in our Shag Club. I hope each of you had a wonderful Christmas. I would like to thank each person who came out and worked to help make our Christmas Party a success at the Moose Lodge. We had a great turn out and everyone seemed to have a great time. Many expressed their happiness in having our meal catered as it was a delicious meal and none of our members had to work in the kitchen and was allowed to just enjoy the entire evening. We will be talking in the future of doing this again in our upcoming meetings.

As we start a new year, let me first say how much I appreciate the opportunity to serve again as your president. As I am honored to be doing this again, I must tell you I need help in making things happen. We are a very active club and we keep our calendars booked. There are many who always step up to the plate and help, but then there are also many who just come out once everything is planned. Each of us have more than we can handle every single day, so offering to do more seems impossible. But without workers, we will not be able to do all the things we raise our hands and vote to do. We either need to slow down and do less or we need to join in and make things happen.

In a few weeks we will be having our MEALS ON WHEELS BENEFIT. This is a huge undertaking and there are so many people in our community depending on us to raise money that will help feed these people. Stephen is already working very hard on many aspects of the evening, but the Silent Auction is a long way from being ready. We have a huge list of businesses that need to be contacted and ask for a donation. It is my thought that if many people would offer to call on a few places, no one person would have to do it all. This auction normally brings in lots of money, but items must be available to sell. Please call me and get a few names to call. I have a prepared simple statement that you can read when you call and a letter verifying our request. It will only take a few minutes of your time to do this, but you have to be willing to try to make it happen. Please think of the people who have aged and have found themselves in a place where they are forced to choose between paying for medication, power bills, insurance, or buying food. Unfortunately most of them are forced to skip meals. Without the people at Meals on Wheels, these people will not get the food needed to keep them healthy. We decided a long time ago we would help Meals on Wheels and they do count on us each year. Please do not ignore this request, we can make a difference and we can go to bed at night knowing someone did have food that day because we cared. If you really do not have time to help, donate a few dollars to me or any of our officers and we will put the money together and buy items that we can sell. But merchants at this time of the year do have items that did not sell over Christmas that they would donate if they are asked. This is a very important thing we are doing and I am truly begging for your support. Ladies and gents, remember baked goods always sell great as well..

We are getting ready to start planning our float. I am trying to get a location for a meeting on Saturday January 21, 2012. In this meeting, we will talk about songs and themes. Even if you do not want to walk or ride on the float, please come out and help pick a song and theme. Creating a float is a lot of work but it is work that brings members closer together and much fun is had while we work. Some of the work can be done sitting on your sofa at home, so please get with me if you can devote some time to help on this project. We have been so fortunate to be winners for 9 years, so we really have our work cut out for us this time around. Come to the meeting so we can get our song and theme and then get started creating. You may not have a clue of a song or a theme but once there, ideas bounce off each other and trust me, it all comes together somehow. Also, we need sponsors, so be thinking about that as well. I will let you know the location as soon as it is determined.

### President's notes (continued)....

I seem to be the president who is constantly asking for help and for that I am sorry, but it is our club and it will only be successful if we join together as a team and make things happen. Begging is not something I enjoy doing but failing is not in my DNA either. I know each of you and I know there is much talent in our club and our members have big hearts. Give a little and you will get a lot in return. Don't just show up for the party, be a part of making it happen. Get to know our members, there are a lot of really great people in our club. It is really easier to say "NO" and think there are others who can do so much better. You are selling yourself short and you are missing out on opportunities to learn new things. I never thought I could stand in front of so many people and lead our club, you guys make it happen for me, you give me the courage and have taught me so much these past 2 years. Now I am asking you to stand there with me and make this year a year we can all be proud of. Now Go And Do Well. Continue to pray for our members who are sick and in need. God Bless each of you.

***Tickets for the Meals on Wheels Benefit can be purchased from Edith Loy on Friday nights at Master's. Dance only tickets are \$25 per person prior to the event and \$30 at the door. Dinner/Dance tickets are \$45 and should be purchased in advance. You can also get tickets at the Meals on Wheels office located at 411 West 5<sup>th</sup> Street, Suite A, in Burlington. And of course, some of our best selling items are the delicious baked goods, so go ahead and be thinking of what tasty treat you can bring. We appreciate all items that are donated and know that they will help provide food for the elderly.

We'll be having a float meeting soon! Do you have a song and theme picked out yet? After a couple of meetings and planning sessions, we'll head over to Robert's to start production. Robert has graciously invited us to use his home and workshop again this year and what a perfect place it is. Get your songs ready!

## A Note Of Thanks . ....

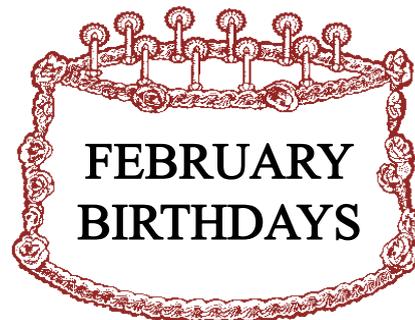

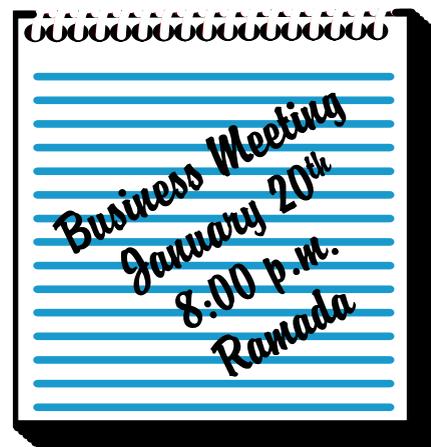

*I am so honored to be the 2011 Hall of Fame inductee. This recognition has only been bestowed onto a few members of our shag club and I am truly in good company with my fellow Hall of Fame members. When I joined the shag club 20-1/2 years ago, I had no idea how special the people in this club would become to me over the many years. Yes, we are great friends, but we are also one big family.*

*Thank you to those members who have nominated me and to the voting panel. I appreciate that you consider me worthy of this special honor. I must also thank my husband Rick, who has had patience with me when I get so involved with committees and club projects, and, well --- get him involved in them too!*

*As I have said before, I encourage each of you to volunteer for a committee or raise your hand and say you will help with special projects. When we have planning meetings and workshops for parties, our SOS float, or any other special event, we have so much fun while working. What great camaraderie, and it is a great time to learn more about your fellow shag club members. Talent abounds in this club and I know there is something that you can contribute.*

*Again, I am so honored to be a member of the Burlington Shag Club Hall of Fame. I hope that I can be a good ambassador of our club and one of which you will be proud.*

**CHRISTMAS CHEER**

First of all I would like to say thank you to my committee, Tammy Dehart, Teresa Ware, Cindy Swiggett, Kim Hodge and Lisa McCormick; without you our club would not have been able to shop and deliver for these three loving and needy families. Also, thank you goes out to the McSherry's for their generous contribution and to the entire club for providing the means in which to provide for these families. I know the yard sale is a lot of work, but the end result brings happiness and joy into lives for Christmas. We delivered Christmas to three needy families, whom without our support, would have not had such a wonderful and very deserving Christmas. Mrs. Southern was able to have her heat on for the coldest months of the year, clothes for church and food to help throughout the winter. Mrs. Boyd was able to spoil her boys with a room full of toys, clothes and a pantry full of food. Last but not least, the Knighten's were able to have some peace knowing that their granddaughter would have presents to open Christmas morning. A week before Christmas Mr. Knighten was admitted to the hospital and I know this family was very appreciative of all they received. Again, thank you very much for your help and support and I hope that our club will continue for many years to come in providing for those less fortunate. I also hope that each person reading this had a wonderful Christmas and will have a safe and happy New Year.

Sincerely,  
Angie Sharpe
