Notes from the President

By now I am sure most of you know our club won the float contest at Spring SOS 2012. I would like to thank each member who came out week after week to work on our float. It was a wonderful time we had together building this float and making all 5000 beads. It was a lot of work but as always, the Burlington Shag Club members came together and gave 100% of themselves to make it all happen. Some have asked "will this be the end since we have now won 10 years in a row"? Well only time will tell, but I am sure after all have rested up and gotten back their Saturdays, they will realize how much the crowd looks forward to seeing us come down that road. Winning is always what we hope for and hearing our name called is just as special no matter how many times we have heard it. The real prize is the people lined up along the parade route cheering us on and getting just as involved as we are. This year we had some members who were not able to make it due to illness and they were so missed. But as they say in show business, "the show must go on", thankfully we had some new members to step up and fill those spots. We thank you guys for the willingness to step in at the last minute and help us win the prize. Please when you see Evelyn out and about, please let her know how much we all appreciate her hard work in heading up this committee and making sure everything was done on time and keeping us on track. We had 50 club members who participated this year and to each of you, I say "GREAT JOB".

Summer looks like it is coming in fast this year and I know each of you are ready for some great summer fun. Mike and Debbie Wilson are having a beach event on May 26 at their farm, Willow Oak, near Roxboro. All club members are invited to attend this event and it is their hope that many of you will be able to be there. This event is open to the public, so please invite family and friends and come to Willow Oak and join in the fun and fellowship. Mike would love to fill the park that weekend. Details will be in this newsletter.

As Spring SOS is now over, it is time to think about what we will do at our booth for Fun Monday at Fall SOS. Cindy Swiggett has offered to chair that committee. If you have any suggestions of items that would be good to sell, please get with Cindy. There is a charge of \$150 to rent the booth but if our club sells 100 Fun Monday tickets, our \$150 will be returned to us. Edith Loy has those tickets to sell. Tickets will be put together from all clubs and cash prizes will be given away. Please take some tickets and do your best to sell as many as possible. The money received from these tickets helps to insure great entertainment for Fun Sunday and Fun Monday. A portion of the money received is also given to a charity in South Carolina and to the Hall of Fame Foundation. Each ticket is numbered and must be sold or returned, so if you take tickets, please keep up with them as you will be responsible for paying for any tickets that are lost or not turned back in.

We continue to have a great turn out on Friday nights. I know summer months are when lots of members will be traveling but when in town, please stop by the club and join in the fun and bring a friend, we love to see new faces from week to week. Our membership continues to grow, please make a special effort to speak to the new people who come in on Friday nights.

Please check out all activities being offered this summer by clubs. Attend the parties and golf outings our sister clubs are having as they support each of our events as well. Speaking of sister clubs, our sister club party will be our annual luau and Amy Crawford is hard at work making plans for a special night at the Moose Lodge. Details will be forthcoming. Please offer to help Amy and her committee.

Again thank each of you for always supporting me and our club. This club belongs to each and every member and it takes the entire group joining together as a team to make things come together. When asked how we always seems to be winners, I tell them simply, "we work and play together". There will always be some flaws but flaws happen so we can learn and grow. Never fear you can not do a good job, you will never be alone in what you undertake, we group together and support one another. Taking part in our endeavors makes you a stronger member and you will get to know your fellow members as you work. Now Go and Do Well.

Hello everyone,

Well, some days are just not good days – April 6th being one of those – computer crash day! Had it in the shop for two weeks and still could not save but a few of the files. Bought a new computer and left for the beach the next day. So now, I am running again and will try to catch up. This is a combined newsletter with items that needed to be in the April issue and a regular May issue. I apologize for the delay, but hey, it saved the club postage for one month! Thanks, Evelyn

Joan welcomed everyone.

Secretary report: Joan gave a brief report in Lorna's absence. Chuck Upchurch made a motion to accept. Tim Wood 2nd. All approved.

Treasurer report: Amy reviewed the current deposits and expenses. Our current balance is \$3508.99. Mary Ann Lynch made a motion to accept and David Sims 2nd. All approved.

Sunshine News:

March Birthdays: Betty Honeycutt recognized our March birthdays.

Carolina Ballgame: This was held to benefit Breast Cancer Awareness. Joan said she appreciated the members who attended the game and danced at halftime on such a cold, rainy day. Sylvia Hatchell and Charlie Brown were pleased with the turnout.

Stepping Out Area Party: The party was held at the Elks Lodge in Reidsville 3/10/12. We had 34 members in attendance. It was a great party with delicious food! Roy Childress and Mike Harding were the DJs and Rick Strickland and Lisa Hudson performed.

Danville IRS Party: Their party will be on May 14. Will send out more details as available.

MOW: The Carolina Breakers have agreed to play for us again next year.

Float: We are continuing to work on the float at Robert's home each Saturday morning. Come and join in on the fun. We need sponsors for the float. Joan has a letter to give the sponsors explaining for \$100 donation they will have a banner printed and displayed on the side of the float with their name or business advertised. Please help us get sponsors as this helps with the expenses we incur. Win or lose, we will have an after float party at the OD Arcade at 5:30 on the last Sat. of SOS.

Luau: Amy reported on the plans for the luau which will be June 16 at the Moose Lodge from 7-12 p.m. Hursey's will cater it and will serve BBQ, slaw, baked beans, roll, and tea. Nominations for the DJ for this event were taken. Rick Turner, Roy Childress, David Tuttle, and Mike Harding were nominated. The club members in attendance voted and Rick Turner received the most votes. Amy announced there would be a luau meeting May 3rd to discuss more on the Luau.

Stepping Out Golf Tournament: Their golf tournament will be on May 12. They would like our club to be a sponsor for \$100 donation. Ronnie Gregory motioned that we do this and Ray Jolly 2nd. The motion passed.

Eno Beach Pond Party: Their club will have a party May 19 at the Time Out Lounge in Chapel Hill. Details to follow.

Beach Music Weekend Festival: Mike Wilson talked about the festival which will be held Memorial Day weekend. There will be DJs Fri. and Sat. Band of Oz will play Fri. night, the Attractions will play Sat. from 1-4:30, and Coastline will play at 8 until. On Sunday a.m. they will be serving shrimp and grits and Joey Warren will be playing gospel tunes. There is a wooden dance floor for our dancing pleasure and tents can be set up along with campers and RVs. There are RV hookups. Also, there will be a shuttle running from a hotel in Roxboro to the festival. If you stay at the hotel, mention the festival for a discount. All details are on our website.

Summer ASCS Workshop: The workshop will be held in Jacksonville, Fla. July 13-15. DJs are Murl Augustine, Jim Agee, and Eddie Anderson. Any member is welcome to attend. See Joan if interested. Our coalition clubs will have a hospitality booth.

Defibulator: Bud Catoe has offered to check out the pads on our defibulator and to do classes for those that are interested in learning CPR. Sheila Walker will also help out. She stated the certificate is good for 2 years.

ASCAP License: Ken Akins and Bill Stevens sent Joan a letter stating how important it is to have a license for any party which we might have. Joan found out that when we have a party at the Moose Lodge we are NOT covered under their license because it is our function not theirs. The Board of Directors met after last month's business meeting and Joan went over everything that was involved and the board voted to become a member of the National Fast Dance so we will be covered for any party we have. Dues are \$181.50 a year. Joan also mentioned possible getting liability insurance for the club. She and Steven are checking on this.

Dr.Phil's Book: Mary talked about Dr. Phil Sawyer's book "Save the Last Dance for Me." It is now available for purchase in hardback and paperback. You may order it or buy it at the SOS Company store at the beach. See our website for costs and more information.

Float T-Shirts: Kim Sellars is handling this for the club. T-Shirts are available in short sleeve and long sleeve. If you are participating in the parade your shirt is free but Kim still needs to know your size so she can order it for you. All other club members need to purchase a shirt also so you can wear it the day of the parade. Remember----do NOT wear it before parade day. The shirts are size Sm-XL for \$12. 2X and 3X may be a few dollars more. Kim will be taking orders and will distribute the shirts Apr.13.

Fun Monday Fall SOS: Joan asked if we wanted to have a booth this year. It was decided to table this until the next meeting.

Steppin Out Shag Club's Golf Tournament: This is scheduled for 5/12/12.

Float after party: Lorna has asked that you make sure to check in with her when you arrive at the party. You will be given a wristband, which is required if you are to get any free drinks.

Membership Party: Joan announced that we will have a membership party again this year however, there will be NO pool party at the Ramada. There was a complaint made by another guest regarding the behavior of some of the members who stayed after the party was over. Joan is working on a location for the actual membership party.

Float T-shirts: Kim Sellars will be in the lounge handing out the float T-Shirts if you have purchased one or are a rider/walker in the parade.

Dues: Joan brought us a discrepancy in the application form and the by-laws regarding the dues. Are the dues \$20.00 after January 31st for everyone or only re-ups? We will form a committee to review this issue. Sheila Walker will be the chairperson and other members will be Hugh Walker, Joe Davis, Amy Crawford, Ronnie Gregory, Mary Gregory, Carol Pettigrew and Baxter Sellars.

HOF: Louie Madden suggested that we have 2 Hall of Fame inductees each year, one female and one male. It was discussed that we have had more than one in the past, but it all depends on the number of qualified nominations that we receive.

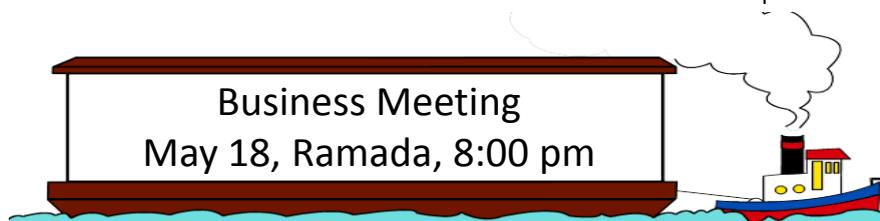

CPR: Sheila announced that she will schedule this class after SOS.

Beach Bands in Graham: Judy Lindley reminded everyone that Graham will continue to have the beach band concerts at the square the last Thursday of each month, starting in May.

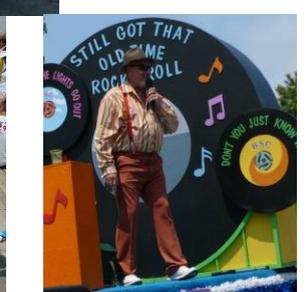

50/50: Lorna Shively won \$60.00.

Meeting adjourned at 8:42 PM.

Respectfully submitted by: Lorna Shively, Secretary.

"OLD TIME ROCK & ROLL"

WOW...What A Great Time!!!

It all started late last year when we voted to have a float in the 2012 SOS Parade. In January, we had initial planning meetings and picked our theme and float design. Then the real fun and work began. We all contributed ideas and designs for not only our float, but also for the golf cart, costumes, and t-shirts. While we may have been working most of the time, lots of laughs were shared when we gathered at Robert's house for workshops. It wasn't all bad – we had doughnuts, cakes, coffee, and beverages every weekend to help us get through all the time working on this special float.

I would like to thank those members who gave so much of their time and talents to make this float a success. We have such creative talent and members are always ready to do whatever they can to help. Thank you to the carpenter crew for another great foundation; to the golf cart crew for the beautiful "transport van"; to the garage gang for getting all those necklaces made in record time and for all the props that were made; to those responsible for getting sponsors and selling t-shirts. It was truly my honor to accept the First Place award for Best Shag Theme. Our 10th in a row – that is just awesome!

Afterward, we all met, about 110 of us, at the Arcade for our Parade Party. Thank you to our runners and our bartenders who stayed busy the entire time keeping our members supplied with beverages. Everyone had a large time celebrating the win with lots of hugs and good times. The float committee was proud to sponsor this free pour for all our supporters. Thank you to all the float members, to our sponsors, to everyone who bought t-shirts, and to all of you who lined the streets cheering for us. We could not have been so successful without the support of all of you.
