## **Notes from the President ...**

What a winter we have had and are still having! We are told it is now spring and most of our members will soon be packing and heading to SOS. Everyone is asking the same question – how and what do I pack? Well whatever the weather turns out to be, we are all excited and are looking forward to getting to the beach and making our first SOS of 2014 a huge party.

We may not need to pack bathing suits and that will be okay with our group. Just being there and dancing and having fun will be top priority.

Most of the last weeks since our Meals on Wheels Benefit have been spent working on our float. Somehow with all the cold weather, snow and rain, Saturdays seemed to clear up and made our efforts a little more comfortable. This is going to be a very special parade as we will be celebrating 20 years of having a parade. Burlington has participated most of the 20 years in one way or the other. In the early years, some of our members just walked and represented our club. Later the rode in the back of trucks and again represented our club. The about 12 years ago, the club decided to build a float. We were very blessed to have some wonderfully creative members who knew just what to do and soon our very first float was built and off to the parade we did go. We won the “Best Shag Theme” that year and the club was so excited they continued to build and build and for the next 10 years they continued to win “Best Shag Theme”. As I look back over all the float pictures, I notice many have come and gone but the love for our club and this parade never changed. That same excitement is alive and well in the Burlington Shag Club in 2014. We have been so blessed to have floats that people enjoyed and many tell us they so look forward to seeing what we have come up with each year. Winning is always so very special but the real prize is hearing that crowd and watching them join in and shout out our name. Do we want to win again this year? **YES WE DO.** This is the celebration year, a milestone of sorts, and we hope what we have created will not disappoint anyone waiting to see our float. We will be there and we hope that every member not in the parade will be there as well. Your job is to take pictures and cheer us on. We will be up against some great competition, so we will need all the support you can muster up. Group pictures will be taken outside Fat Harold’s immediately following the parade ceremony. Thanks goes out to all the members who have given so much of their time and efforts to make this float possible. Thank you, Amy and Gary Crawford for opening up your home and allowing us to spend every Saturday in your garage and workshop. **GOOD LUCK BURLINGTON FOR 2014!**

Once we return from SOS, we will change gears and get busy preparing for our golf outing followed by our bowling tournament. We hope many members will come to Mike and Debbie's over Memorial Weekend as that is always a good time and place to fellowship. Then before we know it, we will be hosting our now very popular luau. Showtime has offered us the use of their entire establishment. So with this new location, we will be able to make some great changes, two separate rooms with two dance floors and two great DJs – Rick Turner and Chigger Woods. We are getting very excited about this new venue. Plans are already underway, so check out this newsletter for all the details and since tickets are pre-sale this year, buy those tickets early.

We have many members dealing with sickness themselves or with family members. Please keep these dear people in your prayers. Some of our members have recently lost a loved one – our love and prayers go out to you during this time of sorrow. Always remember you have your Shag Club family close by.

Thanks for the all the congratulations on my winning the ICON Award last month. It is an award I will treasure for the rest of my life. I accept this award on behalf of my club because without this club and all the people who have stuck by me these past 29 years, this award would not have been possible. I will be getting this award while at SOS. Together we will celebrate this accomplishment at our after party at the Arcade. Be safe driving to the beach and know how important each of you are to me and our club. **NOW GO AND DO WELL.**

Betty Caviness	Doug Foley	Judy Lindley	Lee Neese	Sissy Tillman	Sue Wood
Jake Caviness	Betty Honeycutt	Edith Loy	Gail Paschall	Evelyn Turner	Tim Wood

**Meeting was called to order by Kurt Lankford at 7:00PM**

**Welcome:** Joan welcomed everyone to our March meeting

**Secretary's Report:** Per Lorna Shively, we currently have 311 members. Tim Woods made a motion to accept minutes from February and Evelyn Turner seconded. All approved. She reviewed correspondence. Also, reminded everyone to sign the attendance sheet as it is passed around.

**Birthdays:** Lorna read off the March birthdays.

**Treasurer's Report:-** Amy Lynn Crawford presented 3/21/14 YTD balance and expenses/income. Ending balance is \$10,890.86. Doug Foley made a motion to accept report and Amber Allen seconded. All approved.

**Sunshine Report:** Penny stated that Ron Wilkerson had a pacemaker implanted earlier this week. Charles Freeman fell during the ice storm and fractured his skull. He spent several days in the hospital and has moved to the brain injury unit at Baptist. Jimmy Bare had prostate surgery March 18 and was at Duke Hospital for a few days of recovery. Amy Crawford fell on ice and hit her head. That is better now but she is still having problems with her leg.

**SOS Cards:** Edith announced that she only has 28 SOS cards left. She will not have time to order any more if these run out. You will need to have one to get into the clubs as SOS and the after parade party. They are \$30.00 now, and \$35.00 at the beach.

**Proposed amendments to by laws:** Lorna presented the recommendations from the by-law committee. Please take these recommendations home and review them. We will have questions asked at the April business meeting, and if possible at that time, we will vote on each of the recommendations.

**After Party at Arcade-SOS:** Joan stated that the after parade party is scheduled for 4/12/14 between 6-8 PM and the OD Arcade. Each member is allotted \$5.00 worth of script (5 \$1 scripts). You can use this for drinks, food, or merchandise. No change will be given. We will have one bartender dedicated to serving us (food and drinks), so please be patient as service may be slow.

**Float:** Amy reported that things are going great. A lot of folks have been coming out to help and we have about 24 sponsors already. We'd like at least 35. Amber and Josh Allen are loaning us their trailer to haul the materials, etc. for the float and will take it down there for us. Lorna is handling the script, so you will need to see her when you come to the after party if you want script. Mike Gumula is volunteering again to help with that and the set up and will need assistance. The costumes are turning out gorgeous and we have a great song and theme again this year. Please take plenty of pictures if you are watching the parade. We will have a cookout for those helping with the float on 3/28/14 at Amy's house. Please see Evelyn Turner to sign up to bring something. Last, but not least.....there are still 15 folks who have signed up to walk or ride who have yet to pay. Please see Edith Loy ASAP to take care of this.

**Float t-shirts:** Please, please, please buy a t-shirt so that you can wear it to the parade and party and also help to support the float effort. We will need more help with the take down after the parade. Tonight is the last night to place your order and pay. Please see Kim Sellars. These will be handed out on 3/28/14, but remember that this is a secret and you cannot show or wear the t-shirt until parade day. The design is really great and you WILL want one!!!

**Fun Golf Tournament:** Evelyn announced that this is on 5/3/14 at Indian Valley. Please see the flyer on the website and newsletter for details and send your registration into Stephen Stearns. All money will be taken up on the day of the tournament.

**Bowling Tournament:** Evelyn stated that this is being held on 5/31/14. It will cost \$15.00.

**Luau:** Evelyn said that this is scheduled for 6/14/14 at the Showtime Lounge. Chigger Woods and Rick Turner are our DJ's. We have had a couple of meetings already and set up the sub-committees. Edith is in charge of the greeters, Lorna is handling the door and will call tickets, Polly Fox is coordinating the server, Penny Rice the desserts, Evelyn the tickets, Sissy Tillman the beach buggy raffle and Teresa Upchurch the door prizes. Please see them to sign up to help. We will be pre-selling tickets for the dinner and dance. Tickets for the dance only can be purchased at the door. They will still be \$10.00 each.

**SOS:** Joan advised that the roads are still torn up, but that they expect to have gravel down by then. Parade route is still up in the air. Tents on the beach have been outlawed between May and September. Shouldn't be a problem for our Spring SOS, but will affect those of you going to Fall Migration. Umbrellas are still ok to use.

**Credit Card "cube":** Joan was asked about looking into this device so that we could take credit cards at our Fun Monday booth. She found out that through our bank it would cost \$149.00 for set up, and \$4.95 for each month we use it, along with at \$.19 transaction fee and \$2.69% of the sale charges. She asked for questions and if we thought a committee should be set up to look into this further. A vote was taken and this action was voted down at this time.

**50/50:** Lorna Shively won \$43.00

**Beach Music Festival:** May 24,25,26 at Willow Oaks. Flyer will be available online and in the newsletter.

**Meeting adjourned at 8:00 PM.**

**Respectfully submitted by: Lorna Shively, Secretary.**

# Joan's Meals-on-Wheels Ride-Along

Joan, talking with Wayne Euliss (Elvis)

This past week I was given the opportunity to ride along with one of the Meals on Wheels gentleman who has been delivering meals for the past 2 years. He loaded the food in his car and laid the list on his console of who we would be seeing that morning. His name was Myron and before we arrived at each house, he gave me a little insight into each person. One by one, we walked up to their doors and he would call out Meals on Wheels. Each person was different and yet the same. Each person was down and out and this meal meant everything to them. This person once had a life probably just like ours – they all use to work and had a good life. Age has now taken all of this away and now they spend their days sitting alone and sad, waiting on that knock on the door. Most were slow to answer but when they arrived, you quickly saw how much of an effort it took just getting to that door. My heart filled with sadness at each door but it also filled with pride because what we had been doing these past 21 years to raise money to help make this possible now had faces. Members, this is real and it is right here in our neighborhoods. We cannot turn our backs on these dear souls. To some, \$25.00 per ticket may seem a little too high, but to those dear people it is their daily bread – it is a person coming to say good morning and a smile to let them know somebody still cares. God bless each member who has worked on Meals on Wheels and each member who bought that ticket. Together, we have made a difference and together, we will continue to let these people know somebody cares.
