## Notes from the President ...

Good afternoon Burlington Shag Club Members, SOS is just a few weeks away. Hopefully by now, most of you have purchased your SOS cards and secured a place to stay. Speaking of securing, we have secured the Arcade for our annual Script Party for all Burlington Shag Club Members. Our party will begin at 5 PM and last until 7PM. Each current club member will be issued script that will allow you to purchase food, a beverage, or help buy merchandise from the Arcade. So before we head to SOS and our Script party, we have decided to have a Pre-SOS Party at Showtime Lounge on April 8. Pictures will be taken and there will be music to keep you on the dance floor all night. So SOS will come to Burlington April 8--Be There....

This script party is another opportunity for club members to gather together at the same time in the same location to celebrate our SOS Spring Safari 2016. Some may say "the small amount of script is not worth the effort". The party is not about the amount of money being given, it is about arriving safely, having the opportunity to be at SOS, posing for some club photos for our newsletter, talking over all we have done this trip, and getting on that dance floor representing what I call the best club in the world. In the big scheme of things, this memory is PRICELESS.

In reading this newsletter, you will find all the information pertaining to our FUN golf tournament---bear in mind the big word FUN. Now as many of our members are great golfers, many of our members may not be so great. With this in mind, this is why we have a FUN tournament so everyone will be there for the same reason----TO HAVE FUN. If you are like me and really can not play, come anyway, we have a great time in the cart barn while others are playing golf. We learn new dance steps and line dances, and when a cart is available, we ride out to see how much fun is being had on the course. A cookout will be had later and I hope many of you will come over and have lunch with the golfers.

Luau - plans are still underway but one thing I would like to mention, this year you will be able to purchase tickets with your debit or credit card on our club website, [burlingtonshagclub.com](http://burlingtonshagclub.com) (PAY PAL). More information will be forthcoming.

Hope to see you at Showtime on Friday nights---continue to remember our members on our Sunshine List--Now Go and Do Well

**Pay Pal**---just want to mention we now have the capability of taking payments on our website using Pay Pal---Janice McSherry is the administrator and Mary Gregory is our Webmaster. Many events we have ear will offer this service. You will be advised which and when this service will be available. Pay Pal allows our club to accept credit or debit cards. **Please know this is just another option**, cash and checks are still accepted. You will still be able to decide how you want to make a payment.

**Fun Golf Tournament**---this is a tournament for our members and guest--it is meant to be fun--but it is also a **way to raise funds for our club**. Participating in some fashion one way or the other puts money into our checking account---so please think about playing golf or coming later to the cook out. We do a 50/50 at this event--another way to raise funds and remember someone always wins the other half.

**Luau**---Jack and Darlene are chairing but they need workers to make this another huge success---please offer to work a short shift at the front door--help with the serving of food---help make decorations--help set up tables and chairs and then stay a little longer to clear off the tables- and fold up chairs---

### SOS Spring Parade

Carolina Beach Music Awards Committee has entered as a TROOP in the Spring SOS Parade. They will not have a float--there will be walkers, golf carts and some convertibles---mostly they need walkers to interact with people lined up and down the street watching the parade---as the walkers will be behind the golf carts and convertibles, you will not be walking at a fast pace--you will have time to stop along the way and speak to the people, have a little fun as you pass out flyers or buttons or carrying some signs that give information about the Carolina Beach Music Awards and their desire for more members.

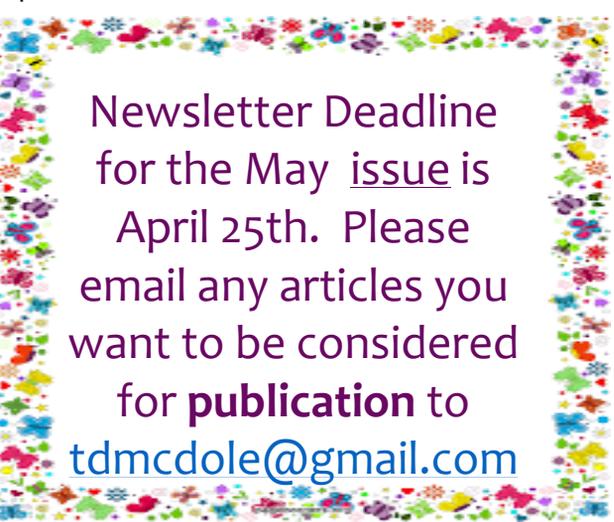

The ultimate goal for increasing membership is to have the CBMA awards shown on National TV like the Country Music Awards. We talk all the time about preserving our lifestyle, well this would be a huge step in insuring that goal. Shag Clubs are now in many states outside the Carolinas but with the TV exposure many more would see why we love shag music (beach music). The only way to get this exposure on TV is to increase our membership. I have been selected to be on this committee and with this appointment, our club members have been invited to participate in this TROOP entry for the Spring Parade. I have about six people who have shown interest in participating.

Burlington has always been known for their love of this parade. As we have done this for so many years, it was time to take a break. Thus we will not have a float in the parade this year. This opportunity will allow any of our club members to still be in the parade at no cost to you or our club. Each of our members will be grouped together and each member will be wearing one of our club t-shirts. Thus we will still be representing Burlington Shag Club and the Spring SOS Parade.

If you are interested, you need to email or call me 260-3129 sometime next week so I can put your name on the list. Also, if you have a golf cart at the beach or will have a convertible, I will need to know that as well.

I did hear it mentioned ---we just want to finally watch a parade---well our float was always at the end so we did miss the parade--well the TROOP entry is closer to the beginning so once you make the turn at the judges, you will get to see the majority of the parade.

I hope some of our members will sign up and help with this first time endeavor. Many of the winners from 2015 will be riding in this TROOP group with us. So come on, let's help them out and have some fun in the process. Thanks Joan
