Notes from the President ...

SOS has come and gone but the memories we made Spring 2016 will linger on for years to come. It was a beautiful week and Burlington was well represented. It was so wonderful to gather on the beach and share good conversations, play corn hole, and just enjoy looking at that beautiful ocean together. Friends are priceless and I so treasure mine.

Our club decided not to have a float this year and we were sorely missed. Don David, Parade Chair for many years ended his parade career this spring 2016. I had the privilege of speaking with Don after the parade. He will so be missed but he did leave me with a comment I would like to share with each Burlington club member who participated in any parade over the years. "You guys helped make the parades successful and he thanked me for all the hard work he knew we had done over the years". We had a long run and so many treasured memories and I am so very proud of each of the years Burlington members brought such joy to so many people lined up and down those streets.

When one door shuts another opens---we did not have a float but was invited to join in with the Carolina Beach Music Award Committee as a "Troop Entry" in the parade. Jack and Darlene, Shelly and David, Lynda and Bill and me and CB represented Burlington Shag Club. Jack drove his beautiful T Bird for "Deckers Beach Club", Lynda and Bill drove their golf cart covered in signs and banners and the rest of us walked and passed out cards, buttons and carried signs advertising the importance of joining CBMA. Thank you guys for taking on this task and hopefully they will reach their goal of 5000 members in 2016.

SOS has passed and now we move on to our golf tournament and our famous luau. Information is available in this newsletter. I encourage you to please support both events---these are club functions and also opportunities to raise money for our club.

Thanks to the 58 members who came out last Saturday to our club gathering at the Arcade. It was a great opportunity to be together and share good fellowship. We also thank the Arcade for allowing us the space and for giving us 2 hours of "happy hour pricing". Another great memory was made.

Read this newsletter and mark down all the important dates---then do your best to attend and to help where needed.

We lost a dear club member this past week, Steve Pettigrew. Steve was a member of our club for most of our 30 years. So many great memories we made over all these years and Steve will be so missed by all who knew and loved him. To his sweet wife Carol, we love you and your club members will be there for you. Life is short, live each day fully and waste not a precious moment.

Support our club by attending our Friday night gatherings at Showtime---remember members on our Sunshine List---thanks for your continued support---NOW GO AND DO WELL.
