If Men Got Pregnant!

From the Virginia Beach Shag Club newsletter:

- Maternity leave would last two years . . . with full pay.
- There would be a cure for stretch marks.
- Natural childbirth would become obsolete.
- All methods of birth control would be improved to 100% effectiveness.
- Children would be kept in the hospital until they were toilet trained.
- Men would be eager to talk about commitment.
- Men wouldn't think twins were quite so cute.
- Fathers would demand that their sons be home from dates by 10:00 p.m.
- Men could use their briefcases as diaper bags.
- Men would have to stop saying, "I'm afraid I'll drop him."
- Paternity suits would be a line of clothes.
- Men would stay in bed for the whole nine months.
- Menus at most restaurants would list ice cream and pickles as an entree.
- Women would rule the world!

HAVE YOU HEARD?

- The Danville Shag Club is doing a new line dance called the "Bubba Boogie". Wonder if our "Bubba" will learn how and teach the rest of us.
- Judy Satterfield has gone back to work at GE in Mebane. The drawback to this is her new hours - second shift! We will miss seeing her and David on Friday nights.
- If you shop at Holly Hill Mall, I'm sure you've noticed that Anderson Little has closed. Buzz Griggs had been the manager there for quite a while. Whatever the future holds for you, Buzz, know that you are in our thoughts and prayers.
- Kathy Slaba and Spencer Coble are getting married March 13th.

LOVE TIMES THREE

WRDX (106.5 FM) sponsored shag contests throughout the state during January. Winners (3 couples) danced in New York for the premier of the Love Times Three video. Participating in the finals on January 30th were Dennis & Frankie Johnson from Statesville. Unfortunately, they were not one of the 3 couples chosen to fly to New York. Congratulations to Dennis & Frankie for making it to the finals!

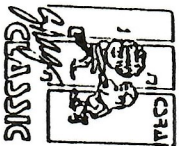

Be sure to check the bulletin board at Master's for information that might not make it in the newsletter!
