Volume 3 Issue 5

May 1994

## Golf Tournament Highlights

Well, we did it! We pulled off a very successful golf tournament. Let's give ourselves a pat on the back. Everyone pitched in and did a wonderful job. The total raised came to \$4,100.00. Nicely done! Golfers came from everywhere to play. Judy Johnson came all the way from Tennessee to play. We even had two members of the Eno Beach Shag Club, Shirley Taliaferro and Tommy Watkins, joining in on the fun - and they were on the 3rd place team!. We appreciate each and everyone who played, helped put it on, a little of both - gee, we just appreciate the heck out of everyone regardless! The barbecue lunch was delicious. Thanks, Lee, for doing a superb job again.

Greetings Delbert Fans:

Never been Rocked enough? Never been Rolled just right? Well now is your chance to solve those problems! Join us on the first ever "Delbert McClinton & Friends, Sandy Beaches Cruise" coming up in January. Spend a full week just cruisin' the Caribbean and enjoying your favorite music, from your favorite artists. In person! In addition to Delbert himself, he has invited several other artists to come along and enjoy the fun, as well as entertain.

Marcia Ball:

The Queen of Red Hot, Boogie-Woogie piano. Marcia and her band really know how to make the good times roll. Those of you familiar with her brand of Texas-Louisiana boogie, know just what that means.

Anson Funderburgh & the Rockets with Sam Myers:

One of, if not "The" finest blues guitarist alive today. Anson, Sam and the Band have several W.C. Handy awards to their credit. Anson played on Delbert's *I'm With You* album. If you've never seen them perform together, you have missed a real treat. Have you seen Anson and the Rockets in the new movie *China Moon*.

Lee Roy Parnell:

Another Texas R&B great. Lee Roy is currently enjoying great success on the country charts. If you saw him and Delbert perform together on last year's Country Music Awards of Texas Connection, you know just how well they compliment each other. Look for some real magic here.

Lou Ann Barton:

Straight from Antonio's in Austin. All of you have seen her on television and are familiar with her fantastic soulful renditions. This is a rare chance to see her live, as she seldom leaves the Austin area. When it comes to hot, steamy, soul-stirring vocals, Lou Ann has no equal.

### IN ADDITION:

Delbert has a number of surprise artists to announce later. The few mentioned here are just to whet your appetite for what is sure to be a memorable music experience. Can you imagine a week of these artists performing and jamming together, not to mention being in the midst of a luxury cruise all the while? Well get ready, you want have to imagine it. It's for real!

We'll be leaving Miami in early January and spending 7 nights cruising the Caribbean. A \$500 refundable deposit will hold your reservation; however, it is first come first served. Later on we'll be announcing some incentives for those that join up early so get your reservation in now. Call or write.
