Minutes of November Business Meeting

November 20, 1998 - Dotty Whaley

December Business Meeting

As is usual, we will not have a business meeting in the month of December. We will install the 1999 officers at the Christmas Party. The next business meeting will be on January 8, 1999. Please come out and join us.

50/50 for Beth Mitchell Scholarship

We had our first 50/50 for the scholarship fund on 11/20. We did really great, over \$100. Thanks to all who participated! Remember we have at least five (5) more slated for this fund. Let's get to a total of at least \$1,000.....whatdaya say?

Christmas Party

Please join us for the BSC Christmas Party to be held on December 12th at Outback 1 (behind Winn Dixie in Graham). We plan on having a great time but we need you to be there!! Don't forget to bring a few nonperishable food items to be donated to our two families to help with their Christmas meals. See you there if not before!!

Also, if at all possible, make plans to attend the Steppin' Out Shaggin' Shag Club's (Eden) Christmas Party on 12/19 at the Elks Lodge in Reidsville. Those folks go all out to support our events. See flyer for more information.

New Year's Eve Party

Don't procrastinate...the bus is filling up. Make your reservations now! This is certainly going to be a fun trip as well as a great party at Champs. We will depart Best Western parking lot at 8:00 p.m. on 12/31 and return after 1:00 a.m. on 1/1.

Free Dance Lessons

Don't forget to volunteer to teach or at least help to teach a dance class or two. Without teachers, we cannot have classes. Also, please tell your friends and neighbors about them. We will need students to teach.

A Reflection On 1998.....From the Vice-President....

I would like to take this opportunity to recognize you, the members of Burlington Shag Club, and give you all a pat on the back for what you have done this past year. Early in the year, you danced an exhibition at the mall to advertise our benefit for Meals On Wheels and then you raised \$19,300 for that organization. You put on an exhibition at a benefit for the lady who used to handle the cookout for our golf tournament; you danced an exhibition at Twin Lakes Retirement Center; at Lake McIntosh for the Alamance Regional Medical Center picnic; and at Festival of the Oaks in Elon College. You played in and worked the benefit golf tournament for Alamance County Special Olympics and raised \$9,300 for their special needs. You have supported our adopted families all year long and you have made a contribution to the Beth Mitchell Scholarship Fund.

There are a lot of people in our community who have benefited (some monetarily and some just for enjoyment) from all the hard work, and of course a lot of fun, put out by you, our shag club members.

We are not just a dance and social club of people who like to party all the time. We have proven that we are what our dance stands for: **Sharing Helping And Giving**. Thank you to all of you members who have given so much of your time and energies to make our shag club one of the best in the association. Evelyn

It's Running Out!!

Your club membership runs out at the end of December. So please renew early in January and don't forget that you have to have that famous "dot" on your 1999 membership card to get in the clubs at Mid-Winter. Compared to other clubs, our \$10 annual dues is a real bargain. Be sure to get your renewal to Dotty so you will not miss out on all the great things planned for the new year!

Piedmont Party Shaggers

Danville, VA, 11/14/98

by Buddy Whaley

Jesse was driving
I'm sitting there making no sound
Dotty and Lynda are yak, yak, yaking
Yeah, that's right, we're Danville bound.

Uh-o

Jesse is lost in Danville town
Lynda is fussing, Dotty is laughing
I'm still sitting there making no sound.

Lynda directs Jesse

And the Stratford comes in sight
Dotty's still laughing, Jesse is cussing
I'm still sitting there being nice and quiet.

Look!

There is Ron and Betty, Martha and Joe
Rick and Evelyn, George and Vickie
Roy and Peggy and Larry and Moe.

All in smiles we see the Danville Crowd
Edna and Mike also arrived that night
And here comes Bull City
Walking in so big and proud.

Cigar smoke came in the light
I look around and what do I see
Two big stogies stuck in their mouths
Rick and George missing only the wigs of white.

All the dancing is done straight from the heart
While Harold Beaver is spinning
Hard as he can
And sometimes you'll catch him singing like a lark.

Buttons on the floor
And whose might they be
Looks like they belong to Sandra
I don't want to hear no more.

A great time was had
And many thanks to all
I guess we have to go
Before Jesse gets mad.

With Jesse driving in the night
And snores coming from the other two
We're headed home
I'm still sitting here being nice and quiet!

A Note From The Editor.....

The year has just about gone, and indeed it has been fun and challenging. I would like to thank everyone who helped with the newsletter duties this past year, especially contributing articles. It has made my task of getting the newsletter to you an easier one. I wish for each of you and your families a wonderful holiday season. Thanks again. ET

General Business Meeting

There will be no business meeting in December, however we will observe Birthday Night at the Christmas party on December 12th.

January Business Meeting & Birthday Night

Friday, January 8, 1999

The business meeting for January has been moved to a week earlier due to Mid-Winter.

DJ - Ron Russ

College Sports Night

With the lounge being decorated in several school colors and the food table all spread out in a football theme, College Sports Night had a really good turnout of loyal supporters. We had shaggers representing Carolina, Duke, Clemson, Wake Forest, NC State, East Carolina, and Wyoming (Wyoming?) It was really close but Carolina (with 10) beat out Duke (with 8). Fritz said he wanted to win an award for the most far away school so he wore his brother's sweatshirt from Wyoming. Nice try. No prizes were given out, but we did have a good time bragging on our school against others. Many thanks to Jeanne for taking charge of things. Stay tuned, there will be another "Fun Friday" in the works soon!

At least two weeks in advance it's all we talk about. Can't hardly wait!

Jesse and Lynda surprise us by arriving early. Six o'clock! Imagine! Buddy (BW) helps them unload and get set up. I'm throwing stuff together for Saturday breakfast.

We've already got "the box" (liquor) and the cooler packed. We all change and head over to the skating rink. Check-in is a breeze since we bought tickets in advance. We set up at our favorite table (right next to the DJ), mix a drink and start socializing. Yes, socializing. We pride ourselves on our socializing abilities.

We find Ron and Gail (and the whole Statesville gang) first and start working our way around the room. See lots of friends from lots of clubs and are surprisingly delighted to find so many Burlington Shag Club (BSC) members present. Especially Jimmy and Mary Ann, this is their first "Cyclone".

Ron Aery is spinning the tunes. We are probably some of the first dancers on the floor and I know the last ones Sunday afternoon. We are forced to stay until somewhere around 1:00 a.m. Had a ball! Gather up all our stuff and Jesse (DD) and Lynda and run back to the apartment.

Next morning Rick, Evelyn (ET), George, Vickie, Steve, Pam, Jesse, Lynda, BW and I sit down to an absolutely wonderful breakfast cooked by yours truly. We think Rick would still be here eating potatoes if ET would have let him stay!

The four of us lazed around the apartment all day (completely missed the workshop) until BW starts cracking his whip. He's waited as long as he can. We need to get dressed, he's ready to party. So we all go shower and change.

Jesse chauffeurs us over to the skating rink again. Some of our friends from BSC are already there and have saved our table for us. We set up bar and get ready to party. First of all we have to line up for dinner. While in line, a lady from Twister's asks us if we're having a good time. I said "We're at Twister's Fall Cyclone and you have to ask?"

We've only been involved with shagging for the last four years and we've been to the last three Fall Cyclones! It's the most talked about party of the year. It's right up there next to Spring and Fall SOS! Man, WHAT A PARTY!!!

A friend of ours, Gary (lives across from the job site), came Friday night, Saturday night, and Sunday morning and he doesn't even shag. He said he met the most women and had the best time he could ever remember. Hope he remembers he promised Michaela and me riding lessons!

So after dinner (which was great by the way) we began the serious partying and dancing. We danced with each other and we each danced with others. Our whole BSC gang does that. We have such a good time together as well as apart. And our club received a plaque from Twister's for having so many of our members pre-registering for this (But ET lost it!) HA! HA!

One lady BW danced with was Viola Gettis from Charlotte. 78 years young and still kicking. She told us her birthday is in January and her birthday wish will be to dance with BW again. She was right there with us till the end Sunday afternoon also.

They forced us (actually chained us to the dance floor this time) again to stay till around 1:00 a.m. We gathered up Jesse, Lynda, and "the box" and headed for the apartment again.

Sunday morning we got up to left overs, quickly shower and dress and head back to the skating rink. BW and Lynda start off with Bloody Mary's. I try a Coconut rum and pineapple juice. BW and I shortly switch to our preferred liquids. The whole gang shows up to say good-bay and see you next weekend. Only BW and I (and Viola) are left. I think she danced with him more than I did that morning. But we all three had a good time.

Twister's, you out did yourselves again. We had an absolute ball. We've already marked our calendars for next year.

Twisters Fall Cyclone

Evelyn Turner

A cyclone? Yes, this annual fall party is really a cyclone, because it will blow you away with all the fun times, music, food, drinks, and warm hospitality. Located in an old skating rink with shuttle service back and forth to the hotels, all you have to do is park your car, pay your admission, and enjoy the weekend. And that is what 29 members of the Burlington Shag Club did!

With Buddy and Dotty being during-the-week residents of Mooresville, they were ready to go as soon as Lynda and Jesse arrived. I don't think they stopped dancing from Friday night to Sunday afternoon! Jimmy and Mary Ann were there early Friday with their camera ready (they have some great pictures). Jesse was keeping the soles of his shoes hot with all the dancing he did!

Mike and Edna arrived Friday evening also. Edna proved she had more nerve than anyone that night after she ran her hands through Rick's hair and then combed it back with her fingers. You know how Rick is about his hair, Mike and I just stood there and watched with amazement! It was good to see Dennis and Frankie Johnson there, Frankie was dancing her way down a list of the Burlington guys. Bob and Linda Maccia seemed to be having a good time, especially Linda. Bob said he was feeling good and looking forward to enjoying the weekend.

Johnnie and Lee came in Friday night, no limo ride this year. Beth and Eddie Canada also came Friday night - we discovered that Beth has a very unique talent! George and Vickie rode down with Rick and me and we had great trip, all of us anxious to get there. Saw Jane Williamson and Terry Brooks there and Terry seemed to be feeling no pain.

Steve McHone had been working in the area during the week, so he just waited for Pam to get there with Bob and Linda. Fritz and Jo Ann also arrived Friday evening, Fritz in his usual laid-back manner, always smiling. Susan and Kevin didn't get to come until Saturday, but they didn't miss a beat from there on. Smitty also got there on Saturday afternoon and was ready to dance!

There was almost any kind of beverage you could want (madrass, screwdrivers, draft beer, liquors, and soft drinks) - all included in the price of your ticket! A 50/50 was being run both nights so Jesse, Buddy, George, and Rick combined their money to buy 500 tickets. Didn't win anything Friday

night, but they did come away with \$600 on Saturday night! Vickie and Linda were the "overalls twins" Saturday, dressed alike, each with their "Pebbles" hairdo.

Pam looked great in her outfit Saturday night and was quick on the draw when Rick asked her where her horse was (she pointed to Steve and said "Baby, there's my horse"!) I really don't know why Lynda was sitting in Rick's lap Saturday night, but he had dropped her almost to the floor (I think there are pictures to prove it).

Some of us went to Stock Car Café for lunch Saturday and had lots of fun. If you are a Nascar fan, try this restaurant next time. The members from Twisters provided us with a delicious dinner on Saturday and a great breakfast on Sunday morning. Most of the 944 people attending this year's Cyclone stayed through Sunday morning, just to get in one more dance. This was a first time party for several of our members, but I know it won't be their last! If you haven't tried it, you should. FUN, FUN, FUN!!! et

Another Shagging Spot

On Saturday, November 28th, the Outback 1 in Graham had a trial run of "Shag Right" with Roy handling the DJ duties. We had a pretty good crowd and the management seemed to be pleased. After our Christmas party there on December 12th, they are going to try to establish Beach/Shag Right on the second and fourth Saturday of each month.

This is a private club, so you will have to fill out a membership form, as many of us did on the trial run. Membership is \$5 and runs for the year. Because this is a private club you can brown-bag, but they do have beer and wine available.

Their management was very anxious for us to give this a try, and it would be a place for us to shag on Saturday nights without having to travel out of town so much. Keep this in mind and maybe we can find out more while there for our Christmas Party.
