## ***A Great Day ....***

*The Benefit Golf Tournament held on October 9th for Alamance County Special Olympics turned out to be one ever more fantastic day! We filled the course with 32 teams (I think we had to turn away 8 more teams).*

*I would like to thank all of you members who worked so hard to make this event successful. The members of the golf committee might have done the planning, but it could not have turned out like it did without the support of everyone involved.*

*I would also like to thank the sponsors who contributed so much, and the folks who donated gifts. And a big thank you goes to the staff at Southwick Golf Course. They have always worked with us and supported us in this effort and it is a real pleasure to work with them.*

*It really makes us feel good to know that we can help someone in our own community in such a big way. I really appreciate all of your support.*

*Steve McHone, Golf Chairman*

**Current Membership - 187**

### **Fun At The Golf Course ....**

# A Golf Tournament For Our "Special" Friends

Even though the planning for this golf tournament started many months ago, the end results on Saturday, October 9th just couldn't have been much better! The golfers, workers, chefs, dessert makers, and all other volunteers together made this an absolutely wonderful day.

After a very hectic registration, the golfers took to the course. We are so pleased that we continue to have not only the support of our own community, but also golfers from our neighboring cities and fellow shag clubs. As you can imagine, with 32 teams, Southwick Golf Course was packed with lots of "serious" fun-loving golfers.

The winners of the flights were:

**First Flight**

*First Place*  
 Fred Hallaman  
 Ed Blalock  
 Kevin Cheek  
 Tommy Graham

*Second Place*  
 Ron Fogleman  
 Butch Nicholson  
 Tony Simpson  
 Larry Thomas

*Third Place*  
 Shine Oliver  
 Steve Hicks  
 Billy Chrismon  
 Mike Greeson

**Second Flight**

*First Place*  
 Bob Maccia  
 Jay Shurling  
 George Lewis  
 Rodney Lewis

*Second Place*  
 Tommy Lane  
 Lisa Foster  
 Barry Myrick  
 Katana Myrick

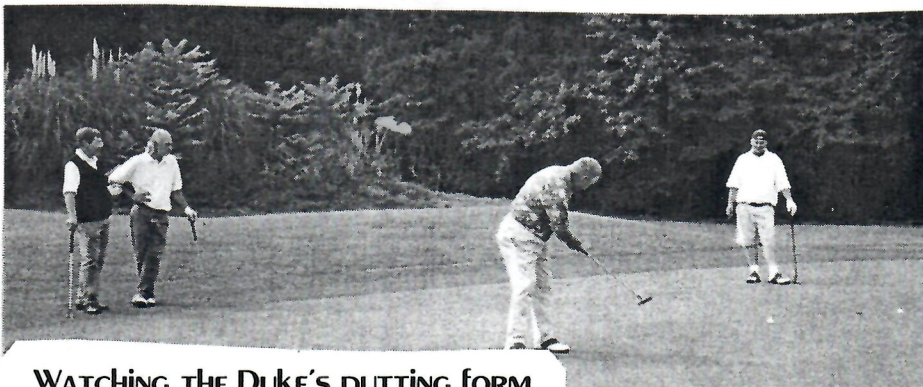

*Third Place*  
 Buddy Whaley  
 Neal Whaley  
 Larry Jordan  
 Duke Justice

And we must not forget, the lucky winners of Last Place Team were Beth Canada, Eddie Canada, Loretta Lee, and Jimmy Myrick!! The winners of Longest Drives and Closest To The Pins were: Hope Jordan, Dianne Faulkner, Dee Riggs, Les Elmore, Jack Woodlief, Bob Maccia, and Duke Justice.

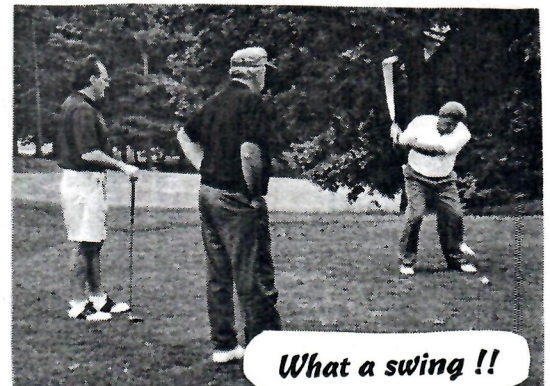

We are very proud to say that 5 of the 6 winning teams gave their prize money back to the Special Olympics. We thank them for their heart-warming donations. Jack Woodlief of Eno Beach Shag Club won the party cooler and it was so packed with goodies, that Sylvia had to help carry it to the car.

Smitty prepared a delicious BBQ luncheon and, with the help of Dan and Bob, made sure everyone was served. All of the desserts were wonderful, but Earlene's Red Velvet Cake and Peggy's Pineapple Cake disappeared right away.

As always, it was great to have the Special Athletes and their families with us at the course. It is very difficult to try to list everyone's name who had a part in this fantastic day, so I will thank you as a whole group. Because of all the tremendous support, we were able to present to Lamonte Stokes, Coordinator for Alamance County Special Olympics, the total of \$11,000. Mark your calendars for next year - second Saturday in October. We'll see you there! Thanks so much, ET

## October 16, 1999 - by Jesse Justice

Bighead had to go to work this morning so we didn't get to leave til around 1:00 p.m. But me and Momma, we got to ride in his new CADDYLAC. Old D--khead. Good trip. We stopped several times. Buddy and Dotty had to have a cigarette ya know and we stopped for a hamburger and Dotty had to have a lotto ticket when we went through Virginia.

When we pulled in at the motel, the bunch from Statesville (Ron, Gail, Pete, Diane, Bennie, and Sandra), was out there waiting on the shuttle. We talked with them for a few minutes and Lynda and Dotty went to check in.

We go to our rooms to clean up and meet back in lobby. Buddy's talking to the shuttle driver (Big Fish's son) and Jim and Margaret (Statesville) pull in. We hop on the shuttle and in just a couple of minutes are at the "Temple". Nice, nice place. We hug and say hello to Jim and Billy first. Larry (Big Fish) is deejaying, but we grab his wife Debbie for a hug too. Next thing you know me and Lynda are on the stage with Big Fish being introduced "Tennessee style".

The food was already laid out and I mean there was some food on the table! And they kept it out the whole night. We sat next to the Statesville bunch. Set up Buddy and Dotty's bar, mixed a drink and started dancing. We didn't get there in time for the workshop (given by Mike and Carol from Columbia), but Dotty danced with a guy (Allen) that was gonna teach it to her! I think I danced more than I did at SOS. I bet I danced with 15 or 20 women. I danced so much that Gail came over to double check my dance list with Lynda! I had a good time!

The club wasn't planning on doing a 50/50 but I talked them into it. Didn't win this time, but I did win a t-shirt for a door prize. Ol' D--khead was tired and ready to go a little after 11:00 p.m. We get on the shuttle again and head back to motel.

Next morning we ate breakfast at Cracker Barrel. Pulled back through the motel parking lot to tell the Statesville bunch goodbye, fill up with gas and we're off. Taking the scenic route back. Stop at Banner Elk and they just happen to be having their "Woolly Worm" Festival. Lynda and Dotty hit all the shops.. Didn't buy anything, but Lynda picked out her Christmas present - a \$13,000 ring. I'm taking up donations and looking for a part time job.

Then we're off to Boone. Buddy and Dotty stop to buy apples, apple butter, and boiled peanuts. Pretty scenery coming back. Got back to Buddy and Dotty's around 4:00, ate dinner, and me and Momma are on our way home to check on Nanny and Poppa and pick up the "Fritz". Good weekend.

Help!!!! Help!!!!

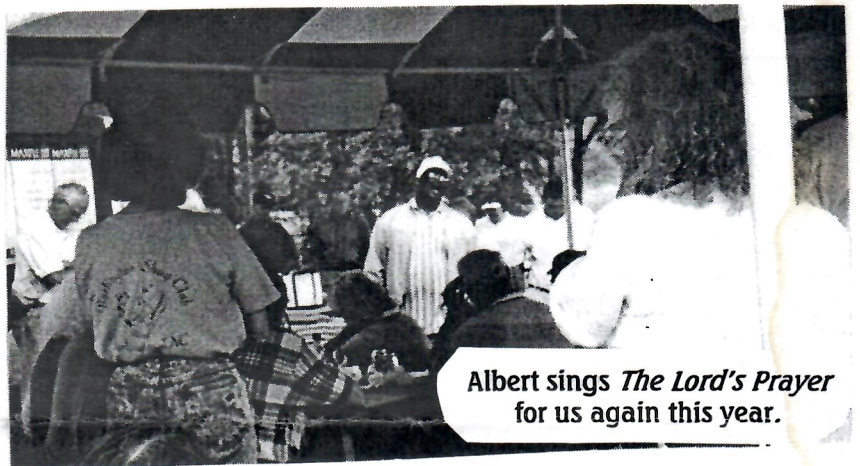

Can anyone offer a temporary or permanent place for a young man (Christophe Cabarrou) who is here from France and is in our International Exchange Program at Alamance Community College? He will be here until May 2000. Either a single person or a family can be their host parents. \$100 a month is given to the host parents, the students have their own spending money. Transportation would be helpful to get them to ACC, but they do have carpooling. All contacts have been exhausted and Christophe needs to be placed in a home as soon as possible. Right now he is having to stay in a motel. He is allergic to cats so would not be able to stay in a home that has cats. If anyone can find it in the goodness of their heart to help give Christophe a place to live, either temporary or permanently while he is so far away from his homeland, it would be most appreciated.

If you can help, please call Melissa Loflin, International Student Coordinator for ACC at 336-506-4299, or call me, Carol Pettigrew at 336-506-4149. Thank you so much.

Christophe Cabarrou, 18, from France  
Christophe wants to be an English professor and his field of study is education and business. He is fluent in French, German and English, and he enjoys soccer, mountain-biking, clubbing, playing piano and table tennis.
