Notes from the President ...

Fall SOS 2010 was a huge event. The weather was perfect every day and night. Burlington Shag Club was well represented by its members. We jumped started SOS with our free pour at the Arcade. Not sure of exact number, but I know the majority of our members were there. Fun was had by all and everyone inside the Arcade felt the passion our club members have for each other. Please let me thank each of you who worked so hard at this event to help CB and me make it so successful. Fun Sunday had great bands and the coalition party was great from beginning to the perfect ending with all 6 clubs members holding hands and singing "God Bless The USA". Fun Monday was another fun filled day. Burlington was the only club who had a booth that sold merchandise, others sold food and beverages. Thanks to Kim, our booth was a huge success. I would like to thank each of you who worked the booth and made purchases. Many of our members left Tuesday and Wednesday, but several stayed to close it down. Saturday, CB and I attended the ACSC meeting. Much was talked about and I will share that with you at our meeting, but for now I would like to let you know our club received 3 checks - one for selling the most Fun Monday tickets in our division, one for attending all required ACSC meetings this year, and a refund for our booth rental for Fun Monday. These checks are really appreciated and will be put into our bank account. The other important discussion was a theme is needed for Spring 2011 parade. The parade is celebrating its 17th year. Put on your thinking cap and come up with suggestions for a theme. You can get these suggestions to me and I will make sure they are turned in to Don David. This needs to be done soon, so get to thinking. Remember it needs to focus on "17". Lastly, we were given our SOS cards for 2011. Edith will be selling them again, so please see her to purchase your new cards. Remember they make great Christmas gifts.

Now back to home business. We are getting ready for our Special Olympics golf tournament, then the yard sale for Christmas Cheer, the Halloween party, election of our officers, the Christmas Party, and lastly, the New Year's Eve Party. Each of these events are so important and plans are under way, but all events need workers. Please contact me and I will find a place for you. It is often said a small group runs everything, well join the small group and then it can be said a large group runs everything in Burlington. Sorry, but suggestions of what should have been done are of no good once the event has happened. We need you on board with us now. Remember we are a club that loves to dance and have fun, but there is much need in our community and we need to be there for these people. Each of our members have many talents. Sometimes you do not realize what you are capable of doing. Sign up, come to the planning sessions and you may be surprised at yourself. What you do not know, you can learn.. You will get more out of the event and out of your club when you actually join in. (Continued on next page)

President's Notes (continued from page 1).....

It has been a fast year, but very rewarding for me and CB. Yes it has been busy and much had to be learned, but it was worth all the efforts just to be a part of our club and its events. I so appreciate all the help I was given and for all of you being so patient with me. You guys are the best and together we will keep SHAG ALIVE.

It is time to bring on more young people, they are our future. If our dance and lifestyle are to be kept alive, we need to work with these young people and share our passion. Remember when we first started our club, we were also young. Our young people have not been fortunate like us to have grown up shagging. Most just think it is an old persons dance. Well, it is time to change that picture. Invite kids that are of course, old enough to be in the lounge to visit us and then offer to work with them on steps.

Again, thanks for allowing me to be your president this year. It has been my pleasure and honor. It has allowed me the opportunity to get to know each of you on a more personal level. Keep coming out on Friday nights, please remember the business meetings and sign up to help with our remaining events. Now go and do well.

Dear Friends in Burlington Shag Club,

The 25th Anniversary Party was so much fun and a very special occasion for us all. It brought back great memories of my shag classes and then all of us going to “Plus 21 Club” afterwards. That was where the idea of the shag club started, we were having so much fun, we wanted to keep it going forever! And, it looks like it will! It doesn’t matter if you were an original member or a new member, we all share a love of the dance and music that keeps us young. I will celebrate my 50th year of teaching this year and some of my most wonderful memories are of the friends in Burlington!

Thank you to all of you who work so hard. “Work Hard-Play Hard” should be your motto, because you all really know how to “play”, or in our case “dance”!

Love you all, Candy Brooks

Reminder

Nomination Acceptance

All members who will accept a nomination for office in 2011 must be present at the October business meeting in order to accept that nomination. The vote for officers will be held at the November business meeting.

Dear Burlington Shag Club, Officers, Volunteers, Committees/Heads of Committees, etc.,

Bob & I just had to write a note and tell you that we were so very sorry we could not attend the big Anniversary for our Shag Club. If our health issues had not been in the middle of everything, we would have been there with pride.

When Pam brought our t-shirts and the CD, first of all, we loved the shirts! The colors, the design - everything - just first class! And, of course, we could not wait to watch the CD and we were both just spellbound! We cannot imagine how much effort and work went into all the planning for the party and putting it all together, and to top it off with this once in a lifetime CD, was the greatest memory to ever take away from this Anniversary Party. So many faces, so many smiles, so many precious members and friends who have gone on to Shag Heaven, and to think we have it to watch over and over for lasting memories.

Here's hoping for 25 more years!!

Bob & Linda Maccia

Inviting all members to The Winery at Iron Gate Farm for some great fun and fellowship

In the past, our club has had the pleasure of enjoying wine tasting outings of local wineries. Recently, I visited The Winery at Iron Gate Farms and had a great afternoon doing so. I'd like to gather our members to Iron Gate Winery in Mebane once again to enjoy wine tasting and additional events already scheduled.

On October 30, there will be a Pumpkin Chunkin' Contest, a Cornhole Tournament, and music by David Russell at The Winery at Iron Gate Farm. The events begin at 2:00 pm and will continue until 5:00 pm. These events sounded like so much fun, I couldn't resist trying to corral a few people to participate. I've had so many to say they would love to come that I asked and obtained our President's endorsement to open this idea up to all our members. Since some of you may not have participated in these outings before, I want to encourage you to give this one a try. For \$5.00 you can enjoy a wine tasting session that will delight your senses and taste. There are 12 wines that this winery produces and you'll have a chance to taste them all. Afterwards, you can shop in their Gift Shop and purchase bottles of your favorites or you can buy your favorite by the glass to sip and enjoy as we gather outside to relax, snack, and enjoy the music and fun of the day. If you would like to participate in the Cornhole Tournament, there will be a small entry fee for each team. The Pumpkin Chunkin' Contest will require the purchase of a pumpkin to participate. All proceeds from these 2 events will go to local charities. Whether you choose to participate in the events or not, it should be great fun to watch.

If you are interested in this outing, please contact me by calling 226-6342 and bring some sort of snack to share. Some suggestions are Cheese and Crackers, Chips, finger sandwiches, vegetables with dip, and fruit. You may have some ideas of your own. Whatever the case, please consider coming out to The Winery at Iron Gate Farm in Mebane and join in some good fun and fellowship.

Respectfully submitted,
Brenda Smith
