Notes from the President ...

Christmas is now past and I hope each of you had a wonderful time with family and friends. We are fast approaching a new year and I am getting excited about many wonderful ideas for our club. We will soon have our membership renewal party and it is my hope that each of you will join again and bring new friends to the party to join with us. Let me just take a minute to thank each of you who worked so hard last year to make our club so very successful. I will be calling soon to get members on board for events that will be coming up this new year. Please don't just say "no", think about the possibilities and the things we can accomplish together for our club and our community. We are a busy club and with that being said, we will need lots of help. The rewards of being a club member is the fun and pride you receive when an event comes together. I will not be asking a few to do a lot, I will be asking many to work together to do a lot.

Please call or email me when you have concerns or suggestions. Again I need to stress that once a vote is taken the decision is made. I need your input before because each of you are important and many times great opinions are not shared until it is too late.

Would like to thank everyone who came out to Masters Friday night and brought in the New Year, 2011. We had a great turn out and it was a wonderful party. Rick, you did a great job keeping the dance floor full the entire night. Club members, we have officially started our new year off to a great start. Looking forward to working with each of you on all our events, check your emails and newsletter for details as they are issued. Happy New and get ready for another great year together.

We will soon be getting together to talk about our float. Please be thinking of songs and themes and costumes. I will be in touch with details as they are finalized.

Please contact Ronnie Gregory and offer to help with our Meals on Wheels event in February. This is a very important event as we are so needed to help so many people who without us will not have a good meal each day.

Master's is not a large room and when we fill it up with lots of great people, it gets quite warm in there on Friday nights. As we want to continue to have great crowds we can continue to expect the room to be warm. Maybe just leave the heavy sweaters at home. We are a beach club, dress casual, dress for comfort.

2011 and the Burlington Shag Club is ready to meet you head on. Get on board and enjoy this promising new year. We are a team and together we will do great things. Now go and do well.

David Satterfield

Hall of Fame 2010

David had been a member of the Burlington Shag Club for over 25 years and had taught shag lessons in our club and elsewhere for many years and most times without asking for compensation. David always distinguished himself as an ambassador for our club and always took up for the club when it had troubling times. He served on many committees over the years and worked tirelessly to support our club's activities and functions. David also served as Vice President and Treasurer and made sure our club's funds were accounted for and let our members know our financial position. David competed on the dance pro circuit for many years, but he never forgot to help someone in his local club learn a new step and was always willing to help. He taught shag lessons for our club for free. David loved the music, the dance, and lifestyle all his life. He truly deserves this award. A true ambassador of the dance - it's what David really cared about in life. This award is truly an honor and testament to David who has given so much.

Congratulations on being inducted into the Burlington Shag Club Hall Of Fame for 2010.

Christmas Party 2010

Well I sure hope you were able to attend the Shag Club Christmas Party. Our members were dressed in their holiday finest and ready to celebrate with so many shagging friends. What an absolutely beautiful stage we had with an old fashioned sleigh and a wavy cozy fireplace. Gary Jones was in charge of the stage and he and his team built a beautiful setting. Compliments are still coming in for that delicious dinner that Mike and Debbie Wilson and their group prepared and put out for us to enjoy. David Tuttle and Bobby Bason played some great music for dancing. We installed our new officers for 2011 and honored David Satterfield as our newest Hall of Fame member. Our 50/50 total was \$764 and our cash sweepstakes brought in a fantastic \$3,100, of which half was won by club member Steve Williamson. It was just a wonderful night to be with so many friends at such a special time. In addition to Gary and Mike, I give my most sincere thanks to Joan Kimbro, CB Kimbro & Rick Turner, Edith Loy, Lorna Shively, Lee & Dianne Neese, Doug Foley and Penny Rice, Mary Gregory, and Kathy Adams for heading up sub-committees to make everything run so smoothly. There were many more members who volunteered their time to make this a wonderful Christmas Party and I appreciate all their efforts and time. Thank You all so, so much.

Christmas Parade

For the 5th year, Burlington Shag Club participated in the Graham Christmas Parade with a big, beautifully decorated truck carrying faithful members of our club. The truck was filled with 26 people/members and their children or grandchildren on the cold frosty morning.

Special thanks to:

- John Link who again donated his beautiful truck and his time.
- Rick Turner, our DJ, for the great, crowd pleasing music.
- The "walkers", or should I say "runners", who gave out the candy to the children on the entire route.
- Morgan, Pam McHone's granddaughter, for the beautiful posters to show the charities that the club supports.
- And thanks to all who came out on the cold morning to decorate and ride the float, which also gave the community the opportunity to learn more about the Burlington Shag Club.

Shaggin' The New Year In...

The lounge was packed on New Year's Eve with lots of shaggers ready to send out the old year and bring in the new year. It was so good to see some long-ago members out to join us for the celebration along with new members. We also had quite a few visitors from our neighboring shag clubs. The dance floor stayed full all night long to some great music that everyone seemed to enjoy. Light snacks were provided and around 11:00, the party hats, tiaras, and noise makers were given out, and if we weren't already in a party spirit, that was all it took to put us in it. At the stroke of midnight, Auld Lang Syne was played and hugs and kisses were all over the place. Lots of shaggers stayed late and we finally shut the music down around 1:30 in the morning. Needless to say, everyone who came out to bring in the new year had a large time!!!
