Notes from the President ...

January has come and gone and we are off and running with a calendar full of great things to do. Please remember to support our Meals on Wheels Benefit on February 12th at the Ramada. This is so important to our community as they are depending on our club to feed many individuals this year. The committee has a wonderful evening planned with many events going on all evening, buy a ticket and invite several friends to do the same. The float committee is already working on ideas. Please see Larry and Gail Jordan if you are interested in being on our float. If you know of anyone who would like to help sponsor our float, please let the Jordans know that also. SOS will be here before we know it, if you can not be on the float, please come out from time to time and help us work at Robert Mitchell's. Again, Robert, thank you for opening up your home and workshop to all of us to build this float.

I know most of you are like us, we are tired of cold weather. Hopefully warmer weather is just around the corner. We do have many great events planned for this year and committees are being formed to plan each event. Please step up and serve on a committee when asked or let me know if you want to help. Being on a committee is a great way to get to know more members and also your opinions are important. New ideas keep our club fresh and interesting.

Evelyn has agreed to continue to do our newsletter. Please read your newsletters as they will keep you informed on all club business and activities. Also, you can keep up with important information concerning our members. Mary Gregory will continue to do our website. You can also find much information about our club and other events in the area. Gail Jordan will be sending out emails letting you know as events happen. Edith Loy will again keep us informed of any sickness or deaths in our club. Please contact Edith as needed. Thank you girls for doing all this work for our club.

Hope to see each of you out on Friday nights at Masters. Thanks for being the best members a President could ask for. Now go and do well.

Board of Directors Meeting

Our meeting started at 6:30 at the Burlington Diner. Mary welcomed everyone and introduced the officers of the Board. She stated ASCAP is quiet for now, but it is an on-going situation. We are still OK with everything we do. She will file our non-profit status form for the club. Mary scheduled our other quarterly meeting for April 6, July 6, and October 5. Our meetings are open to the general membership. Mary also went over the Board's responsibilities which concern the legal and disciplinary issues not resolved by the club's officers. October will be the month for the election of a new Board. The meeting was adjourned at 6:40.

Scott Ursery called the meeting to order at 8:01 PM.

Joan welcomed all members, especially the new members and guests to our first business meeting of 2011.

MOW door duty: Jim West stated that he and Stephanie are recruiting help for door duty for the MOW party. He is sending around a sign-up sheet with open time slots. Please help out.

Secretary's Report: Per Lorna, we ended the 2010 year with 278 members on roll. We currently have 69 members so far for 2011. Mary Ann Lynch made a motion to accept the report and Burch Dowd seconded the motion. All approved.

Re-up Party: We will be directing all those needing to re-up, up the stairs to the left as you come into Master's. Nita has asked that we keep the bar area open. Please complete your forms and we will have several stations for you to pay and get your membership cards. You must bring you membership card with you and present it at the drink ticket table in order to get your free drink tickets. If you have re-upped already and don't have your card, please see Lorna.

Treasure's Report: Ed presented the 2010 year- end balance totals. We ended 2010 with \$6,576.05. YTD as of 1/21/11 is \$6,877.42. Doug made a motion to accept this report as presented. Hugh Walker seconded. All approved.

Sunshine Report: Edith stated that Teresa Jones had surgery on 1/4/11 and is doing well. Butch Dowd's mother passed away on 1/5/11. Pam Hord's father had surgery on 1/5/11, Steve McHone had surgery on 1/13/11 and is recovering as home and Louise Flannigan had surgery on 1/20/11 and is also recovering at home. Please keep these members in your thoughts and prayers.

Board of Directors meeting: The BOD met at Burlington Diner on 1/19/11 at 6:30. Mary introduced the officers of the board and welcomed all present. She stated that ASCAP is quiet for now, but that we are still covered through Ramada and continue to keep music off our web-site. She is also filing our non-profit status form for the club. The quarterly meetings are scheduled for April 6, July 6, and October 5. Meetings are open to the general membership. She also reviewed the responsibilities of the board which concern legal and disciplinary issues not resolved by the club's officers. We will elect a new board this year in October.

January Birthdays: Betty Honeycutt announced the January birthday's in Louise's absence.

Christmas Cheer: Per Joan, we were able to adopt 3 very deserving families. We were also able to provide a bicycle for each child who had requested one. We had a great response and the families were very appreciative. WalMart was very gracious and even donated a \$25.00 gift card to us to use. Remember that our yard sale makes this possible each year. Last year, we raised the largest amount yet.

Christmas Party: Evelyn Turner reported that we had a great turn out for the party. The decorations and food were a hit. She thanked each of the sub-committee chairmen who took on those responsibilities. She added her thanks to the elves and Mr. and Mrs. Claus. The \$10.00 door fee was well received and it allowed the membership to not have to provide extra food, with the exception of desserts. After the expenses were deducted from the door, sweepstakes and 50/50 monies, we had a profit of \$2590.00. Mike Wilson also thanked those who helped him in the kitchen and serving the meal.

Mid-Winter: Joan and several other members attended Mid-Winter the weekend of 1/14/11. The ACSC meeting was held on 1/15/11 and there is a new ordinance regarding tents and "structures" on the beach. The tents cannot be larger than 12' X 12' or higher than 9'. They also cannot be joined together, keeping at least 10' between the tents. Also, they have to be 15' from a lifeguard station and the anchors cannot extend beyond the shaded area of the tent. There is a \$250.00 fine levied for the infraction. Anything let on the beach after 7:00 Pm will be picked up and taken to a lost and found. It will cost \$40.00 to retrieve those items.

Spring Safari Parade: The theme is "17 ways to have fun at SOS". SOS is 4/8-4/17 with the parade being on 4/16/11.

BSC Float: Larry Jordan reported that we had our first float meeting on 1/8/11, with another one tomorrow, 1/22, at 10:30 at the Bistro in Gibsonville. They are still taking suggestions. You don't have to be in the parade or on the float to participate in its creation.

BSC Business Meeting (continued)

1/28/11

Re-up Party: Scott Ursery stated that it will be on 1/28/11 and we will stay with our traditional sports theme. We plan to start at 8:00. Please keep the bar area clear, per Nita. Brings snacks for the party and it should not be anything that has to be cooked or kept warm.

MOW: Ronnie Gregory reminded everyone that this will be held on 2/12/11 and that we still have tickets available for \$25.00 each. Items for the silent auction are coming in, but we still need more. The theme is "Legends of the Beach" and they are adding the purchase of a star as a fundraiser. You can purchase a star for \$10.00 in the memory or in honor of someone and it will be placed on the floor in the hallway (like the walk of fame stars in Hollywood). We are also going to have a raffle for the "cooler". We need items for that. Please give you receipts for those items, even if you are donating them, to Ronnie so that he will know the value of the "cooler". We need to have these items no later than the morning of 2/12/11. Also, the Jr. Shaggers will be performing around 10:00.

Carolina Women's Basketball game: Per Joan, this is being held on 2/13/11. She has given the list of those wanting to participate in the half-time dance to Charlie Brown. If you want to be added to that list, please let her know right away.

Winter Workshop: Joan and CB and Ronnie and Mary Gregory will be attending the workshop. It is open to all who want to come.

Meetings: Joan announced that she would like everyone's input for the meeting and topics to be discussed. Please either let her know before the meeting so that she can research the issue, if needed, or during the meeting prior to any vote that is needed. It does no good to complain about an issue if you didn't speak up about it or attend the vote. Please make every effort to be at the business meetings so that you can participate in the decisions of the club.

2011 Committee sign-up: Joan has passed around a sign-up sheet for members to sign up for a committee that they would like to serve on. Please indicate if you are interested in chairing a committee. Joan will review those indicated and make a decision for the chairman.

Master's Lounge: There have been complaints about the temperature in the lounge being too hot. It's fine when there are only a few present, but once we all come in and start dancing, we get hot. They have the thermostat on a comfortable temp, but we still get hot. They are going to put some fans up to help with that. Also, dress for the temperatures inside the club so that you will be comfortable as you dance and get warmer.

Shag Rag: Per Evelyn Turner, if you have not re-upped by the re-up party on 1/28/11, you will no longer receive the shag rag by mail or email.

HOF Foundation: Ronnie recognized Louie Madden, one of our own who is in the Shaggers Hall of Fame. Many of the Hall of Famers are involved in the HOF Foundation which was established to help others with financial needs. Ronnie suggested that we send a letter of thanks to them for helping several of our members. Please let Joan know if you or someone in the club is in need.

Jr. Shagger's Event: Steve Williamson asked if we are interested in hosting/sponsoring a Jr. Shagger's event. There is a lot of work and expense involved, but they are the future of the shag community and life style. This is something for us to look into for 2012.

Luau: We have the Moose Lodge scheduled for this event. They have confirmed that we can use it.

50/50 : Teresa Ware won \$79.00.

Next meeting is 2/18/11.

Respectfully submitted by: Lorna Shively, Secretary

Meals On Wheels Benefit - Silent Auction

Items are still needed for our silent auction during the benefit. If you have items or know businesses who will donate items, please notify Angie Sharpe at awsharpe@triad.rr.com or by phone at 336-684-5946. You can also volunteer to help in the silent auction room.

As always, sports/shag/art themed items and baked goods bring in great sales, so get in that kitchen and bake up a cake or pie.

Alamance County Meals on Wheels is a great organization and really does a lot of things that better the community where we live. All help will be greatly appreciated for this very worthwhile cause.

2011 Re-Up Party

2011 Membership Re-Up Party

WOW! What an awesome membership re-up party we had. As you can see from all of these pictures, we were packing Master's Lounge with lots of shaggers who were ready to have a good time during our "Sports Night" theme. We had almost 100 members to renew and 29 new members. Scott and Selena Ursery, our membership chairmen, did a great job organizing this special night for us. Our secretary, Lorna Shively, and those helping her take applications, hardly had time to breathe because they were issuing cards as quickly as they could write them. There were drink specials and munchies for us to nibble on all during the night. We certainly kept our bartenders, Nita and Dotty, busy for the entire time and thank them for all their speedy work. Our DJ for the evening was Chigger Woods and he made sure the dance floor was full with all the good music he was playing. The line dance tunes packed the floor as well because our gals and guys will get out there and move those happy feet!

We take pride in our club being one that is so welcoming to our guests and members. We are a large family of shaggers who love to be with each other and socialize and dance. We truly enjoy having a good time, sharing hugs, and dancing with lots of different folks, and want to make sure all who join us can share the good times with us.

Another successful party. Thank you Scott and Selena - a job well done. ET

SOS cards can still be purchased through the club for \$30 by contacting Edith Loy. You can reach her at edithloy@bellsouth.net or see her on Friday nights at the lounge.
