## Notes from the President ...

Meals on Wheels Benefit, wow, what an event we did have. We worked so very hard for months and so many people called and called on almost every business in our area asking for donations for our Silent Auction. Sometimes it seemed we were getting nowhere, but because you cared and continued to work on this project, we were able to fill the entire room with many items to auction. The group who gathered together to make all the decorations had a good time making these things and they were so beautiful and everyone complimented us on our decorations. Dance and Meal Tickets sales were a huge success as well. We had a little set back early on when we received a call that the Junior Shaggers, who were scheduled to perform, discovered they were to be at North Myrtle Beach that same night for the "Keepers of the Dance" final dance contest. Well a set back to our group is a bump in the road that just has to be dealt with and so Sissy and Carol put their heads together and came up with "Dancing with the Stars". They selected dancers who could dance well and then they selected members of our community who were well known and asked them to help us out and dance with the pros. Most of the community members selected had not danced in quite awhile or ever. This did not stop them from saying "yes". With a few lessons ahead of time and lots of encouragement they prepared for the big night. Our very own Byron Tucker at WPCM took the ball and started talking this event up every morning on his radio spot. As time went on, the community "stars" began to challenge each other, they started having fun with this idea. Soon it was the talk of the town, "who would dance the best". Charity Apple of Times News joined in and wrote several articles that promoted our event and also told the community she was dancing and had no clue what she was doing but was going to dance her little heart out for this much needed cause. We were all excited and very hopeful this would be a great addition to our night. Little did any of us know just how great this would turn out to be. Everyone in attendance had the time of their lives and money was thrown and thrown as they danced and danced. What a gift of love these wonderful people gave for many elderly people who were so depending on us for food and a human being to see each day. Let me now talk about the band. Months ago our members selected a band that many had not heard of, but a few had seen and was very excited, so we took a chance and booked them months and months ago. As time went on, this band that was just a band to many, received the "Best New Artist of the Year Award" at the North Myrtle Beach Cammys in October. When they came out on our stage it was clear to see why they received this award. The dance floor was filled all night long and all in attendance loved their music. Everything just came together for us that night and we were able to raise over \$24,000.00 for Meals on Wheels. I can not list all the names of the members who worked so hard and deserve so much credit as I am so afraid I would miss one person's name and then I would be so unhappy because each of you deserve so much credit. All I can say for sure is you know who you are and what you did and please be as proud as I am of you for helping to make this happen. Burlington Shag Club, you have made a huge difference in the lives of many people who because of circumstances can no longer help themselves.

We are already working on our float and having lots of fun. We still have much to do and encourage any who want to join in to come out to the workshops or call Evelyn Turner to see what you can do. T-shirts are being made and will be sold by Kim Sellars, please see her with your order. These t-shirts will be worn the day of the parade and to our after party at the Arcade beginning at 5:30. You must be a current member to attend this after party.

Coming up soon will be our annual Luau at the Moose Lodge on June 16, 2012. Please mark that date on your calendar. Also there will be other area parties with our sister clubs coming up soon, please check this newsletter for details and our website as well.

### President's Notes ... (continued)

I encourage each of you to try to attend our sister club's parties as well. It is something each club does so we can all get to know each other and support one another as these parties are also ways to raise funds that will allow each club to continue throughout the year.

Tickets - Edith Loy is our ticket girl and will have SOS tickets and Fall SOS Fun Monday tickets as well. If you do not have your SOS ticket you need to get them soon as Edith will need to send her list and unsold tickets back before Spring SOS. Remember the Parade is held on the last Saturday of Spring SOS and Fun Sunday and Fun Monday is held the first weekend at Fall SOS. WE will be given our Fun Monday tickets at Spring SOS. I want to encourage each of you to buy several of these tickets as they make it possible for us to enjoy the great performers at Fun Sunday and Fun Monday. Also as our club normally has a booth of items to sell at Fun Monday, selling tickets allows us to be able to have a booth at no charge. Also cash will be given away to a lucky person with the winning ticket.

Again as I close, please let me thank each of you who are willing to lend a hand whenever one is needed to make whatever we are doing come together. We are a good club and I am so proud of our members. There is always something going on and I know sometimes it just seems to be way too much, but we always get things done and then memories are made. Now go and do well.

**Happy Birthday to our St. Patrick's Day Birthday Girl  
Our Bartender, Nita - Thanks for all your good service!**

Joan also wanted to thank all of the volunteers who came out to help with the set up. Joan also thanked Carol Oakley and Sissy Tillman for their efforts in coordinating and teaching the dancers for Dancing with the Stars. Next year will be our 20<sup>th</sup> year....do we want to sponsor MOW again? All approved. Also, the band, Carolina Breakers, was great, kept everyone dancing and they had a great time too. Shag Club Members ...

Mike and Debbie Wilson are planning a fantastic and fun Beach Music Festival weekend at Willow Oak Park, their farm in Roxboro. This is a beautiful location with an outdoor amphitheater setting. You may carry lawn chairs and/or blankets and relax with friends, enjoy the music, and especially the fellowship of neighboring shaggers. Campsites are available for those who would like to stay overnight at the park. Just think about all those wonderful aromas that will be coming from the grills around the park! If you are not into camping, there are hotels located close by in Roxboro. Mike will have shuttle service to and from the hotels, so you will not have to worry about driving.

There will be various vendors on site, but Mike is also offering for shag clubs to set up vendor tents and hospitality tents. A vendor tent would be a great way to make some money for our club. A hospitality tent would be a great way to meet and greet with fellow shaggers and share lots of laughs and good times. Put your thinking caps on and run some ideas through your mind of what we could offer in a vendor booth, (bbq sandwiches, or other food items, shagger items, koozies, tees or tank tops, etc.). There will be a small fee for set-up, but should be a great opportunity to raise funds for the club. **This will be brought up at our business meeting on March 16<sup>th</sup> so be ready to speak up.** Plans need to be made because it is only 2-1/2 months away!

Thanks, Evelyn
