Notes from the President

Here we are in the first month of 2019. Although it started out kind of rough at first with bad weather and scheduling issues, we ended up with a bang! No one had any idea how fantastic our re-up Party would be. With over a 100 members signing up that night and great food furnished by our good friends and supporters, the Showtime Lounge. And we thank them very much. Kent and Teresa chaired this event and WOW, did they and their committee do a terrific job, from decorations, door prizes and a huge 50/50. But the main thing was everyone had a great time, stayed late and made it a party to remember. Thanks to all volunteers who helped.

For those of you who did not journey down to Mid-Winter, what a great time it was, the weather was beautiful, music was great and with about 30 – 35 Burlington Shag Club Members there you know the party was going on! If you missed it this year, put it on your calendar for next year. A special thanks to Jack and Darlene for representing our club and they will report to you at our business meeting.

Our first business meeting of the year due to our cancellation, is Friday Night February 1, 2019 at 7:00 pm in the Birthday room. We have lots of business to decide and plans to be made. I encourage you to bring forth ideas for things you would like to see and do in our club. Together we can take our club to another level. So, plan on being there.

Our largest Fundraiser, the Valentine's Benefit, is upon us. Many of you have bought dance and/or dinner/dance tickets and I hope you all have made your plans to come and enjoy and support this great event. The success of this event depends on you and our friends in giving your support for this fundraiser. Amber Allen and her team have worked tirelessly to ensure that this will be successful and it truly will be. If you would like to volunteer to help, please call Amber at 336-214-0283 or email her at amberallen16@hotmail.com.

Let's not forget those who have been sick and those who have had tragedies in their life. We are a family and we are here to support each other in good times and bad. Please keep Judy Satterfield (336-541-0005 or jsatterfield2@att.net) abreast of those who are sick and/or troubled.

Your board continues to bring forth great ideas and ways to implement them and takes care of the business of our club. Rick Turner, Board Chair is doing a fantastic job and we appreciate his leadership skills. But it is just not up to the Board to bring up ideas, we also want to listen to you and your ideas and things you would like to see done in this club. We will be sending a lot of information about special events, parties and SOS is right around the corner, so get your SOS cards from Edith Loy and be ready for Spring Safari. In closing, let me say thank you to all our members for your support of our Shag Club and each one of us has the responsibility of helping further our music, dance and our lifestyle. As I have said previously, we can do this together.

Until next time, Ronnie Gregory, 2019 BSC President

Did You Know.....

that **Kim Dawson** is a born and raised West Virginia girl...and proud of it. Her first comments to me were "let me dispel a few rumors up front. No, I do not have one leg longer than the other; I am not married to my cousin; my father is not a coal miner and the Governor's mansion does not have wheels. I do have a pair of shoes, all my teeth, and I grew up in the city not the country. I have heard about every WV joke in the book, but I love them all. They make me laugh and my parents gave me the ability to laugh."

Kim's second life started at age 16 when she had to have an emergency tracheotomy to save her life. She noted that trauma at a young age can help define you as a person and give you the realization of how fragile life can be.

As a natural athlete and loving all sports, Kim earned a basketball scholarship at West Virginia Tech College. Fat Jack's in NMB is a place of special memories because that is where this WV girl met her future NC husband. After an 11 month long distance relationship, Kim and Butch were married. Now after 35 years, they have 2 sons who both have beautiful ladies in their lives, and a handsome little grandson whom Kim describes as "the most perfect addition to our family, a gift from God."

Working at Honda Power Equipment in the HR Dept, Kim and her co-workers work to continually improve associate development. Because of her job, Kim has traveled all across North America and to Europe, Asia, and South America. Hopefully Africa and Australia are in the near future.

After presenting Butch with shag lessons one year for Christmas, Kim says the rest is history. They have connected with old friends and made new ones who are a big part of their lives now. Kim noted that they have met so many wonderful people and had so much fun in connection with the Burlington Shag Club.

Kim's comments: "I realize life is fragile so I like to have fun. I find humor in everything thanks to my father and I love to have fun and laugh. I would like to think the thing someone would say about me is that 'she hugged me like she meant it'. Because I do."

Awesome Night **Packed House** **Fun Crowd** **Good Times**

WOW! What an awesome membership re-up party we had. As you can see from all of these pictures, we were packing Showtime Lounge with lots of shaggers who were ready to have a good time during our "Sports Night" theme. We had over 100 members to renew and 45 new members. Teresa and Kent Bradsher, our membership chairmen, did a great job organizing this special night for us. All those folks working at the membership table hardly had time to breathe because they were issuing cards as quickly as they could write them. We certainly kept our bartenders, Kelle and Stephanie, busy for the entire time and thank them for all their speedy work. Our DJ for the evening was John Williford and he made sure the dance floor was full with all the good music he was playing. The line dance tunes really packed the floor as well because our gals and guys will get out there and move those happy feet! The 50/50 team was having a large time as usual (in addition to selling a lot of tickets!). A special thanks to our Showtime family for the delicious BBQ dinner they provided – Tony, Robin, Kelle, Nikki, Stephanie, Chico, and Annette. We appreciate all that you do for us.

We take pride in our club being one that is so welcoming to our guests and members. We are a large family of shaggers who love to be with each other and socialize and dance. We truly enjoy having a good time, sharing hugs, and dancing with lots of different folks, and want to make sure all who join us can share the good times with us.

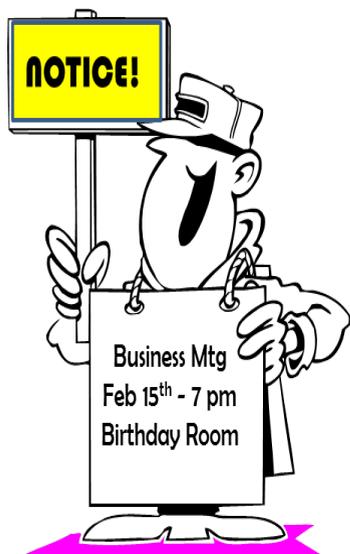

Another successful party. Thank you Teresa and Kent - a job well done. ET

Have you signed up for our bowling tournament yet? Well, don't be late doing it. Now, don't tell me that you can't bowl. Everyone can bowl, it just may not be a picture of fluidness and excellence! Our bowling tournament is a lot of fun, just being there with your friends, laughing (of course, not at each other!), enjoying your beverages, and rolling those balls straight down the lanes, well maybe. There will be door prizes right before we start and special prizes afterwards when we go into Showtime Lounge for some more fun. A 50/50 will be run during bowling and in the lounge. There will be more fun and surprises in store which are still in the works. We'll let you know more about them later.

Mark your calendar, Saturday March 2nd, 6:00 pm. Please try to be there promptly so we can begin bowling at 6:30 pm. I promise you that you will have another GOOD TIME with this club!!!
