Well May came and went so fast. I believe that we had more May shower's than we did in April. Welcome to June and the summer time. reminder's, Friday nights are now from 7-10 pm at Rack and Rolls. We love to continue those great nights of dancing. What a great crowd we have been having. Great job BSC. Also, thanks to the great work of the Reverse Raffle Committee we raised over \$8,000, so awesome for the first time holding this event and how easy of a night. Glad to be able to do that event again next year.

Next big event on the agenda is our area party the Luau on June 22<sup>nd</sup>. See the flyer in the newsletter and get those tickets. Remember after June 1 we open tickets up to our sister clubs and we can only sell 160 tickets. This is a great event you don't want to miss out on.

Be a Blessing to those you meet!!

# Did You Know?

## SOS Charitable Foundation

Each year the Society of Stranders uses the power of its membership to make a difference in the lives of people in need. They direct a significant amount of money to the SOS Charitable Foundation. The money is then used to support local and national charitable causes. Recently SOS has sought to further extend its support of the needy by partnering with the Hall of Fame "Foundation". Together these two groups can make a difference in the lives of many people who need a helping hand.

### **HALL OF FAME FOUNDATION, Established 1991**

**The Tradition of FRIENDS CARING FOR FRIENDS** Established in 1991 with a cash donation and proceeds from a Shaggers' Hall of Fame Induction weekend, a fund has been accumulated which is available to provide financial assistance to people of all ages and circumstances. These grants are based only on financial need regardless of race, religion, dance style or any other categorization.

The Hall of Fame "Foundation" is not connected with the Shagger's Hall of Fame, Inc. The "Foundation" is chartered in the State of South Carolina as an eleemosynary organization with IRS 501(3) (c) tax-exempt status. Historically, "Foundation" contributions have come from shaggers and shag-affiliated organizations and activities.

The "Foundation" is managed by a fourteen-member Board of Directors. All are volunteers. Vacancies are filled by the Board. Only persons who have an extensive and proven record of significant community service are selected. All contributions to the Hall of Fame "Foundation" are deposited in unrestricted interest-bearing investment and checking accounts. Intricate rules and procedures are in place to ensure the integrity of your donation. Typically, annual administrative and operating expense to income ratio is three to five percent. This is extremely low. The only operating expenses paid from contributions are postage and supplies, telephone, financial reports by a Certified Public Account and limited travel expenses of Board members. The "Foundation" has NO salaried positions. The Long-Range Plan for the Hall of Fame "Foundation" is to acquire a principle sufficient to remain in perpetual trust. Interest from the trust will provide for grants and assistance to applicants approved by the Board of Directors. The principle will remain intact in perpetuity.

### **WAYS THE FOUNDATION USES YOUR GIFTS**

1. Wheelchairs
2. Medical Expenses
3. Rehabilitation
4. Pharmaceutical Needs
5. Final Expenses
6. Myriad of Grants (too many to list since 1991)

We've accomplished a great deal, but so much more must be done. To continue our work, we need your help to "Care for Friends". What's been most important to the "Foundation" in the past has been "word of mouth" referrals: people like you telling others about us. Every year the challenges we face are substantially greater than those of the previous. We need you to join us and be part of this important cause. We need your support, and you need the benefits of our important work. For those who have understood our goals in the past, for those who will participate in the future...thank you, and may you reap one hundredfold the goodness that you sow.
