BSC,

What a great 40th Birthday Celebration we had on August 16th. It was so great to see so many of our original members along with our regulars. Thanks to Ronnie and Mary Gregory and their committee for a great party and for getting all those original members back together for such a great reunion. It was definitely well attended and so much dancing went on. I hope you enjoyed yourselves as much as I did.

Now I hope you are preparing for Fall SOS. It is just around the corner. Remember to stop by the OD Arcade on Saturday, Sept 13th from 6-8 for our free pour. This is always a great event where we are able to give back to our members and have a great time fellowshiping and enjoying lots of dancing with DJ Tommy Simole. I also want to thank the Officer's and Board members for getting all 100 of those Fun Monday tickets sold. Now if one of us could just win some of that wonderful money. After SOS we will have our September business meeting on September 26th.

In October we have 2 great events taking place. The junior shag workshop on Saturday, Oct 4th and then the membership appreciation party on Saturday, October 11th. I hope you will join us for both of these events. Remember we have the junior workshop to help keep the dance alive. I look forward to seeing everyone at both of these great events.

Oh, What a Night!

(1985 – 2025) Big thanks to the committee and all who helped organize and help make our 40th. Anniversary Party a great success. Special thanks to Robert and Sharon for doing so much to make our event so special. Our committee of volunteers has done such an amazing job, creating an electrifying atmosphere for this party.

The night was filled with magic. So many things were happening starting with the ladies and gentlemen joining in on a wine tasting. And then we were served with some delicious hors d'oeuvres provided by our shag club. Furman Dominick was at his best, spinning the tunes and was very complimentary about our club and its' members.

What an honor it was to see so many past members, current members and even some founding members of the club. It was just special. It was only fitting that some of our founding members presented our 40th. Certificate to our current President and Board Chair, Amber and Rick. Soon thereafter, we all enjoyed a spotlight dance by members Carol and Bo. Soon after that, our future, Junior dancers took to the floor dancing and made us realize how important they are to our future and our dance. What a night! Memories were made and new and old friendships were once again rekindled.

We all have so much to be thankful for and each and everyone of you came together in all your efforts to make the Burlington Shag Club the best.

C'mon now. "Beach Music Weekend shouldn't be Packaged." This coming from Myrtle Beach - the folks that brought us The Sun Fun Festival, condos, high rises, bright lights, glitter and chrome?

As one of those "former lifeguards from elsewhere" and organizers of the S.O.S. Migration, I detect a trace of envy in your editorial and find it amusing and ironic.

The First Annual O.D. Migration was a product of packaging, ~~welcome~~ promotion and publicity and otherwise would never have ~~been~~ a reality. Six months of planning, meetings and hard work went into this happening. It was pure marketing and media hype.

What you mistook for spontaneity was the genuine aura of joy and happiness. The beach "family" was back together! Contagious, wasn't it?

And, if you didn't think this year's reunion was commercial, you should have picked up some of the S.O.S. bar tabs. Absolutely staggering!

The press turned it into a mini-media event and did their own packaging. Bless them. They made it all possible!

Many reporters asked, "why"? Few understood.

The simple truth was, The Grand Strand was our true alma mater. We went to many colleges and universities but received our true education at the beach. We were a close-knit family, the beach community, and together we learned survival, sharing and coping.

Thus, a reunion was long overdue.

Do not worry about next year. We'll be back up there at O.D. with our pal, Mayor Joe Saleeby. Bells will ring. Horns will blow. And we will be packaged and tied with a gaudy red bow!

For that's how you taught us to do things - so many years ago when we played and worked at the beach.

If the S.O.S. Migration becomes over commercialized, it will be because Myrtle Beach wants the spotlight.

See you next year!
